LOUISE SCOTT REINTERVIEWED THIS DATE AT WHICH TIME SHE SPENT FIRST HOUR OF INTERVIEW TELLING FAMILY HISTORY RE HER TWO SONS JACK AND WALTER SCOTT. SHE AGAIN STATED THAT WALTER IS ABSOLUTELY CRAZY A DRUNK, VIOLENT AND THAT SHE AND HER HUSBAND WANTED NOTHING TO DO WITH HIM WHATSOEVER .

SHE ADVISED IN REFERENCE TO JACK, THE REASON FOR HIS BEING TERMINATED AT OBERLIN COLLEGE, OHIO, WAS DUE TO THE FACT THAT HE HIRED ATHLETES WHO GAVE THE BLACK PWER SALUTE DURING THE OLYMPICS IN MEXICO CITY. SHE STATED IT WAS AT THIS TIME THAT JACK MOVED TO STUDIES AND, ACCORDING TO BERKELEY, CALIFORNIA, FOR ADDITIONAL 7-15200 REC- 107 LOUISE, IT WAS AT BERKELEY WHERE JACK BECAME INVOLVED IN ANTIWAR DEMONSTRATION MOVEMENTS AND BECAME VERY FAMILIAR WITH VARIOUS 18 MAR 12 1975 INDIVIDUALS WHOPARTICIPATED IN THESE MOVEMENTS. LOUISE STATED THAT SHE AND HER HUSBAND, ALONG WITH-MICKI AND

JACK HAD TAKEN SEVERAL TRIPS TOGETHER, HOWEVER, REFUSED TO DISCUSS!

PAGE TWO

ANY DETAILS ABOUT AN ALLEGED TRIP THEY HAD TAKEN THIS SUMMER TO PENNSYLVALIA AND NEW YORK CITY. WHEN ASKED WHETHER OR NOT SHE WOULD ADMIT OR DENY THIS TRIP, SHE ADVISED THAT HER HUSBAND TOLD HER PRIOR TO LEAVING FOR SAN FRANCISCO NOT TO ANSWER ANY QUESTIONS OR FURNISH ANY INFORMATION TO THE FBI IF THEY CAME BACK FOR REQUESTIONING HER ABOUT THIS TRIP OR ANY OTHER TRIPS OR ANY ACTIVITIES RE JACK AND MICKI.

SHE STATED THAT SHE HAS MET MANY ASSOCIATES OF JACK AND MICKI, HOWEVER, COULD NOT RECALL ANY NAMES IN PARTICULAR AND STATED THAT MANY OF THESE ASSOCIATES SHE HAD MET AS JACK'S HOUSE IN BOTH OBERLIN, OHIO, AND BERKELEY, CALIFORNIA, AND STATED SOME OF THESE ASSOCIATES ACCOMPANIED THEM ON THEIR TRIPS.

SHE ADVISED THAT DURING PAST SUMMER SHE WAS AT JACK AND MICKI'S APARTMENT IN NEW YORK CITY AND DESCRIBED THE LAYOUT OF THE APARTMENT AS BEING ON THE THIRD FLOOR, WALK-UP AND BOTH STATED THAT DUE TO THE NOISE, MICKI AND JACK BOTH COMMENTED THEY COULD NOT WRITE THERE BECAUSE OF CONDITIONS OF THIS NATURE, AND THEY WERE LOOKING FOR A PLACE IN THE COUNTRY WHERE IT WOULD BE QUIET AND SECLUDED. THE RESPONSE TO A QUESTION AS TO WHETHER OR NOT SHE HAD EVER BEEN AT A FARM WITH JACK AND MICKI PENNSYLVANIA, SHE ANSWERED NO.

END PGE TWO

PAGE THREE.

SHE ADVISED THAT AT NO IME DID JACK OR MICKI HAVE ANY OF THEIR ASSOCIATES OR FRIENDS AT THEIR APARTMENT ON CASADA WAY, LAS VEGAS, DURING THE TIME THEY HAD RESIDED IN THIS APARTMENT, THAT BEING FROM APRIL, 1974, UNTIL MIDDLE NOVEMBER, 1974.

SHE TATED THAT WALTER HAS TAKEN ALL OF THE FAMILY FUNDS AND ALSO HAS RECEIVED A GREAT AMOUNT OF MONIES FROM JACK. THE STATED THAT SHE, HER HUSBAND AND JACK HAD GIVEN WALTER IN THE NEIGHBORHOOD OF \$30,000 OVER THE PAST FEW YEARS. SHE ADVISED THAT BILL WALTON AND JACK ARE VERY CLOSE FRIENDS, THE REASON FOR THIS IS BECAUSE JACK HELPED WALTON GET INTO UCLA AND WAS A STRONG INSTIGATOR OF HIM JOINING THE TRAILBLAZERS BASKETBALL TEAM AFTER GRADUATION.

SHE STATED THE HOUSE WALTON PRESENTLY LIVES IN WAS BUILD BY THE OWNER OF THE TRAILBLAZERS WHO IN TURN SOLD IT TO WALTON FOR \$100,000.

SHE WAS DVISED BY THE INTERVIEWING AGENTS TO TELL THE WHOLE TRUTH AND HIDE NOTHING BUT IF SHE DID NOT WANT TO DISCUSS THIS MATTER, THERE WAS A CHANCE THAT SHE SOULD BE SERVED A SUBPOENA TO APPEAR BEFORE FEDERAL GRAND JURY, SAN FRANCISCO, AT A LATER DATE. SHE ADVISED SHE WOULD BE WILLING TO APPEAR.

IT IS THE OPINION OF THE INTERVIEWING AGENTS THAT MRS. SCOTT APPEARS TO BE GREATLY CONCERNED ABOUT THE WELFARE OF HER SON JACK AND IS WILLING TO GO TO ANY LENGTHS TO PROTECT HIM AND THIS WAS END PAGE THRE

PAGE FOUR

APPARENT DUING THE COURSE OF THE COMPLETE INTERVIEW. IT IS ALSO ,
THE OPINION OF THE INTERVIEWING AGENTS THAT SHE KNEW HER SON WALTER
WAS THE SOURCE OF THE INFORMATION CONCERNING THE ALLEGED HARBORING
OF PATTY HEARST AND THE HARRIS FUGITIVES. BOTH SHE AND HER HUSBAND
HAVE NOT MISSED ANY OPPORTUNITY TO DOWNGRADE WALTER.

Result of examination:

A definite conclusion was not reached whether the questioned writing on Q1979 was prepared by PATRICIA CAMPBELL HEARST, K32, due to the lack of sufficiently comparable writing and the presence of unexplained variations. However, some handwriting differences were observed in comparing the signature on Q1979 with the available writing of HEARST.

Q1979, which has been photographed, is being returned separately.

K93

.30 carbine caliber U. S. Carbine, Model Ml, Serial Number 1627729

Result of examination:

Test bullets and cartridge cases obtained from the K93 weapon were microscopically compared to the .30 caliber bullets, bullet fragments and cartridge cases previously submitted in this case without effecting an identification.

An inspection of the K93 weapon revealed no modifications similar to those noted on the four .30 caliber carbines recovered from the debris of the burned residence at 1466 East 54th Street, Los Angeles, California, (the scene of the May 17, 1974 shoot-out). It is noted that these weapons were .30 caliber U.S. Carbines, Model MI, which had been modified so as to permit them to deliver only controlled full-automatic fire.

The K93 weapon is an unmodified .30 caliber U.S. Carbine, Model MI, which is capable of delivering only semiautomatic fire.

The test bullets and cartridge cases obtained from the K93 weapon are being placed in the Laboratory's Reference Fired Specimen File. The K93 weapon is being returned to the Atlanta Office under separate cover by registered mail.

Marble Falls, Texas, has continued to contact the San Antonio Division and claims the HEARST girl and the HARRISES are now in the Joshua Tree National Monument and that they have been in this area on previous occasions. CLARK claims the three fugitives continue to stay on the move and appear to be staying in national park and other areas where camping facilities are available.

All look-alike leads for PATTY HEARST and the HARRISES are being covered in the most expeditious manner possible. Continued coverage of look-alike leads will be handled in the same manner.

Re Jackson airtel to the Bureau dated 2/10/75.

Monthly Summary of Investigation by the Jackson Division

During February, 1975, frequent contacts have been maintained with the television stations and news media throughout Mississippi, and information concerning PATRICIA HEARST has been used extensively by television stations and by the news media. No specific leads regarding PATRICIA HEARST or her associates have developed from this publicity.

On 2/4/75 the Jackson FBI Office held an "Open House" for members of the news media. Copies of the tape cassette setting forth recording of PATRICIA HEARST's voice which was previously sent other news media in California, were played on a speaker for members of the news media, and they expressed keen interest in this case. The tape was loaned to a representative of Station WJTV Channel 12 TV to be played at the earliest possible date in an effort to assist in locating PATRICIA HEARST. Additional material available was also made available to members of the news media.

On 2/25/75 Pascagoula, Mississippi. advised he observed a white male and a white female in a 1966 Lincoln Continental with Alabama License plates, numerals unknown, at Pascagoula, Mississippi, on 2/19/75. The white male was described as being in his early 30's; 5'10"; 190 pounds; shoulder length black or dark brown hair with some gray in it; dark complexion; heavy build; mustache, and using the name This white male was accompanied by a white female about 5'10", wearing platform shoes, dishwater-blonde shoulder length hair, who closely resembled PATRICIA HEARST. This resemblance is based on wanted posters observed in newspapers which showed photos of PATRICIA HEARST. These two individuals spoke a foreign language which the white male indicated was "Lebanese". They indicated they were enroute to Houston, Texas, and then would possibly go to Denton or Dennison, Texas, after about a month in Houston, and would eventually go on to California. Observed a .38 pistol under the front seat of this car and another larger pistol on the back seat of the car.

Extensive efforts were made in the Pascagoula, Mississippi, area to locate and identify the above individuals but with negative results. Due to the wide variation in the height of the unknown female (5'10"), no leads were set forth for Mobile or Houston in this matter.

Additional alleged sightings of persons who resemble PATRICIA HEARST have been checked during February, 1975, in various locations in Mississippi, with negative results.

NCIC Search Regarding Weapon Used By PATRICIA HEARST

On 5/16/74 appropriate personnel and employes were alerted regarding this weapon; however, no information has been developed to indicate that any possible weapon might be identical with the one used by PATRICIA HEARST in California on 5/16/74.

Women's Liberation Movement - Lesbian Groups

No information has been developed regarding PATR CIA HEARST which would link her with Top Ten Fugitives SUSAN DITH SAXE or KATHERINE ANNE POWER who were reportedly in the

DN 7-371

Lexington, Kentucky, area during the fall of 1974.

Proposed Investigation to be Conducted During March, 1975

Will continue contacts with leading car rental agencies, hotels, motels, hospitals, law enforcement agencies, camping supply businesses, news media, and all other sources likely to encounter transient persons in Mississippi. Will conduct appropriate investigation on any teléphone subscribers determined to live in Mississippi who may have contact with pertinent individuals involved in possible harboring of PATRICIA HEARST during the past few months. To date, no telephone calls to anyone in Mississippi have been furnished by any other office, and PATRICIA HEARST is not believed to have had contact with anyone in Mississippi during the past year.

RESUME OF INVESTIGATIVE ACTIVITY

MOBILE DIVISION

Re Mobile airtel to Bureau, 2/10/75, and San Francisco nitel to Los Angeles and Mobile, 2/21/75.

Mr. RANDOLPH HEARST, father of victim, was in receipt of a letter from ALBERT E. BELL, No. 104372, Unit 17, Hayneville, Alabama. BELL, apparently a prisoner, claimed he would be able to bring PATRICIA HEARST home if she desired to return. He claimed to know a lot about the SLA and where the members are located.

Investigation through the Alabama Board of Corrections disclosed that ALBERT E. BELL is not and never has been a prisoner in the Alabama penal system; no prison unit is located at Hayneville, Alabama, and the "Number 104372, Unit 17" is not significant.

The following persons at Hayneville, Alabama, on 2/23-26/75, interviewed negatively in efforts to identify and locate ALBERT E. BELL:

Montgomery, Alabama, advised that approximately three weeks ago, he had observed a white female who closely resembled PATRICIA HEARST, riding in a black foreign sports car around the city square in Tuskegee, Alabama. The vehicle bore: a 1975 California license and was driven by a black male. On approximately 1/30/75, observed this white female with the same black male in "G's Cafe", Highway 80, in Tuskegee. He observed the couple leave the cafe and enter a late model Buick Riviera, with a 1975 Macon County, Alabama, license number unknown.

On a subsequent date, owner, "G's Cafe" and Grant's son-in-law, who helps to manage the cafe, did not recognize photographs of PATRICIA HEARST as a person in the cafe.

Investigation is continuing in an effort to positively identify this white female who has been seen in Tuskegee, Alabama. Further investigative activities for the current month will include continued informant contacts, contacts with law enforcement officials, conferences at police training schools and thorough investigation of all leads developed.

Pattyhas four faces; she could be here

BY ANDREW KILPATRICK, News staff avritor

Where is Patty Hearst?

She could be in our midst. She could be anywhere,

FBI agents in Birmingham say...

"We are convinced she is alive. At least we have to go on that assumption," according to L. R. Kirkpatrick, special agent in charge of the FBI in Birmingham.

"Logic suggests she is still alive," Kirkpatrick said, since she was alive after six Symbionese Liberation Army (SLA) members were killed in a fiery shootout at a Los Angeles house last May.

PATTY'S CAPTORS would not want to taint their ... use with her murder, Kirkpatrick thinks.

Kirkpatrick, who thinks Patty is in the United States, said she could be near a college community, in Tuscaloosa, Auburn or Birmingham, for example.

But, he said, "We have no specific leads that she is in Alabama," though a number of the FBI agents in the state are working on the case, as they are in all states. Every FBI agent is educated about the case, Kirkpalrick said.

FRI gent Jim Snider in Birmingham, who is coorcinating the investigation, said a handful of leads have oeen checked out, but have not led anywhere, as one of the most intensive manhunts in history continues.

THE FBI, he said, checks immediately on any tips. Some of the tips have come from people who think they have seen someone who looks like Patty, but each time the FBI has found that it is not.

The FBI, of course, is also looking for Bill and Emily Harris, who were seen with Patty Hearst at a Los Angeles sporting goods shop where Bill Harris allegedly tried his hand at shoplifting a pair of socks May, 16, 1974.

Though the three were spotted, they escaped under the cover of gunfire from Patty, then commandeered two vehicles to complete their getaway.

The next day six SLA members were killed in the Los Angeles house, but Patty and the Harrises were not among those stain.

ON JUNE 7, a Van Nuys, Calif., radio station received a tape in which Patty Hearst praised the virtues of her dead comrades...

No word has been received from Patty since that ne.

Anapatrick sald he believes Patty is using a dis-

guise, but even if she is FBI agents say there is little she can change about her height, 5 feet 3 inches, and her weight, 110 pounds, and a mole on her right chin.

There is no way of knowing wnether she is traveling in a revolutionary community, perhaps in a van, or is working as a secretary or a cocktail waitress, Kirkpatrick said.

"SHE COULD be on a farm...she could have a job she could be in a basement," said Kirkpatrick, who thinks she is not moving about much or she would have been spotted by now.

Whatever she looks like or wherever she is. Kirk-patrick said, she is with friends who are sympathetic to her cause. "It's surprising the number of people who are sympathetic with a cause whether or not it's wor-

He identified his brother as JACK SCOTT who was born Scranton Central High School and West Scranton High School at Because of some difficulty in the Scranton School System, JACK SCOTT went to Syracuse, New York, to live with WALTER SCOTT while WALTER was employed at General Electric and he subsequently graduated from Central High School at Syracuse, New York.

He attended Villanova University in Philadelphia, Pa., on a track scholarship for only two months. He then worked in Greenland for RCA for a short period of time. He returned to the Syracuse, New York, area and attended Syracuse University from which he graduated in 1965.

During his attendance at Syracuse University sometime in 1962 or 1963, he was arrested for demonstrating and spent two days in jail.

He attended graduate school at the University of California at Berkeley, California, and received a Doctorate Degree in Education in 1971.

He subsequently signed a four year contract to teach at Oberlin College in Oberlin, Ohio; however, after one and a half years his contract was terminated and paid off by the college officials principally because of his radical philosphy.

While attending Syracuse University, JACK SCOTT became involved with a white female named MICKI MC GEE and he has been involved with this person ever since and resides with her in a common-law status. She also shares his radical philosophical ideas.

WALTER SCOTT furnished the following information regarding the activities of PATRICIA HEARST and WILLIAM and EMILY HERRIS which he had obtained through personal experience and conversations with his brother and parents. He noticed that at times when his brother discussed these matters, he was under the influence of naraotics.

PH 7-1299

JACK SCOTT rented an apartment at 317 West 90th Street, New York, New York, in February 1974. This apartment which was located on the third floor cost \$400 a month. He had reason to visit his brother at this apartment in April or May 1974.

In late June 1974, WALTER SCOTT visited his parents at 6436 Casada Way, Las Vegas, Nevada. He was there for a period of one or two days when his parents told him they were going to visit a KATIE (Last Name Unknown) in El Paso, Texas. He said KATIE formerly resided in an apartment underneath his parents at 2014 Sacrament Street, San Francisco, California.

His parents were gone for a period of 10 to 12 days and after a while he began trying to get in touch with them. He contacted his brother in New York City and told him he was looking for his parents and was told they were in the East and MICKI MC GEE wired him money to come to the apartment in New York City to see the parents.

WALTER SCOTT did fly into New York and went to his brother's apartment where he found his parents, his brother and his wife, an individual named PAUL HOCK and three other individuals who he later learned from his brother were PATRICIA HEARST and WILLIAM and EMILY HARRIS. He remained at the apartment for a period of three hours and then proceeded to Washington, D.C., where he stayed with an unnamed girl friend.

From subsequent conversations with his brother and parents WALTER SCOTT determined that his brother prevailed upon his parents to drive HEARST East in late June 1974. They transported her in JOHN SCOTT's 1969 or 1970 LTD which bore Ohio license plates registered to MICKI MC GEE. They arrived in the Mount Pocone, Pa., area and stayed at a popular hotal or motel, possibly Pocone Manor Hotel, which was located within a 10 mile radius of the race track.

SCOTT recalled being told that his parents encounter of difficulty in obtaining accommodations inasmuch as a major race was to be held at the raceway nearby. However, eventually they were successful in obtaining a room for the night.

In the meantime, an individual named DALE SCHINNICK, described as a former Olympic broad jumper and Air Force Lieutenant, drove EMILY and WILLIAM HARRIS east to JACK SCOTT's apartment in New York City.

EMILY HARRIS and MICKI MC GEE drove to the Mount Pocono, Pa., area to pick up HEARST and drove her to the apartment of JACK SCOTT. It was shortly thereafter that his parents drove to New York to the apartment and this is where WALTER SCOTT met all of these individuals.

After WALTER SCOTT left for Washington, D.C., his parents also left New York, and drove to the residence of his uncle, WALTER A. SCOTT, 1534 Capouse Avenue, Scranton, Pa. He set the time frame for this trip out of New York to Scranton, Pa., around June 28, 1974, give or take two or three days either way. While visiting his uncle, JOHN SCOTT gave him a \$500 check which he had received from JACK SCOTT drawn on the latters bank account in New York City, which was to cover the expenses for his trip east. This uncle cashed this check for JOHN SCOTT at a bank in Dunmore, Pa. His parents remained with the uncle for a two or three day period and then drove to Las Vegas, Nevada.

Sometime after WALTER and his parents left his brother in New York City, JACK SCOTT rented a farm in the vicinity of Lake Ariel-Honesdale, Pa. This farm was described as being a proximately two and one-half acres in size and contained about a one-half acre pond and a large rustic house which was approximately 30 years old. He feels his brother may have rented this farm under his own name. For a two to two and one-half month period, July, August, September 1974, PATRICI/ HEARST, WILLIAM and EMILY HARRIS and other associates of JACK SCOTT stayed at and/or visited this farm. He said they swam in the pond and played volley ball in the yard regularly. He was told that they had an actual volley ball not and they exercised this way. He also recalls JACK telling him that this farm was up for sale at the same time they rented it. They apparently purchased groceries at a small grocery store in the Lake Ariel, Pa., area.

Nis brother or his wife, MICKI MC GEE, owned a seven or eight year old tan Volkswagen which had Ohio dicense, registered to MC GEE. They schemed to abandon this vehicle and report it stolen and thereby collect stolen and recovered by the Pennsylvania State Police (PSP) and by this time JACK and his wife had left the area and the recovery of the vehicle and the claim with the insurance company.

In August 1974, WALTER SCOTT obtained employment with the Dasis Oil Company in Tripoli Lybia, North Africa, as a Systems Analyst. Sometime around the middle of September 1974, WALTER SCOTT received a telephone call from MICKI MC GED indicating that JACK SCOTT was going to transfort HEARST back out West and would be at his parent's residence at Las Vegas, Navada, during the last week of September 1974. WALTER SCOTT immediately returned to his parent's residence at Las Vegas, and on the same day his brother arrived in a yellow van accompanied by HEARST. The van had been rented in New York City and also contained some of the furniture from the New York apartment. He was able to pinpoint this particular day because they heard a radio announcement concerning a multimillion dollar bank robbery which had occurred that day in Reno, Nevada.

HEARST remained in Las Vegas for one day in a motel room with JACK SCOTT and insisted on going back to the Berkeley-Oakland, California, area. JACK SCOTT made arrangements and two individuals, whom WALTER SCOTT did not see and were not identified by JACK, arrived and drove HEARST to the Berkeley-Oakland, California, area. During the time she was at Las Vegas, HEARST was introduced to WALTER as BUSAN. She had her hair cut short to the point where it was almost a "butch" haircut. She had what appeared to be false freekles on her face and she was disquised to look like she was six months pregnant.

From conversations W/LTER SCOTT got the impression that PATRICE/ HEARST was not pregnant. During the trip East with his parents, HEARST made a general nuisance of herself and the father grew to dislile her. While in New York against the wishes to the others, she insisted on visiting clinic in the neighborhood of the apartment to determine whether or not she was pregnent or infected with a Venerall Diseass.

In early October 1974, JACK SCOTT left Las Yegas, Revada, and went to live with BILL WALTON, the professional basketball player, in Portland, Oregon.

His brother and wife, MICKI MC GEE, are presently living with EILL WALTON in Portland, Oragon, along with MALTON's girl friend, SUSAN (Last Name Unknown), (not identical with HEARST) and a Negro male. He said all of these individuals are on some sort of narcotic with the possible exception of WALTON's girl friend. He said in Movember 1974, he visited his brother in Berkeley, California, during which time JACK SCOTT had come to the San Francisco, California, area to purchase drugs and return them to the WALTON residence in Portland, Oregon.

DCOTT advised that as far as he knows his brother became acquainted with WALTON through friends in the Berkeley-Oakland, Talifornia, area and subsequently because: WALTON is known for his anti-culture philosophy. He pointed out that in the last his brother, JACK SCOTT, cooperated in writing a book for DAVE HEGASY, a former professional football player with the St. Louis Cardinals, who according to SCOTT, likewise has radical ideas. He believes that his brother and his group are attempting to exploit WALTON because of his new ideas. In addition, SCOTT said his brother, JACK, already possesses some kind of rights to publish a book

In the form of additional background information and associates of his brother, WALTER SCOTT, referred to a MILLY (Last Name Unknown) who is currently serving at Soledad Prison, California, for being involved in bombings at the Caldand, Borkeley, San Francisco, Colifornia, area. He identified another individual named MARTY MILNER who is also a California fugitive die to the fact that he has perjetrated fraudulent credit and schemes in California and other, lasts in the country. MILNER is suppose to be imployed by a New Japany State College in the Atlantic City, New Japany, area. JACK SCOTT told him that he drove an Crimtal girl friend of MARTY MILNER about two years ago.

PH 7-1299

Another associate of JACK SCOTT is a person named JAY WEINER having originally met WEINER while he was at Oberlin College. WEINER left Oberlin College terminated.

MEINER currently resides in Philadelphia, Pa., and is a writer for News Day Newspaper in Long Island, New York. SCOTT recalled that shout three weeks ago, MILNER wrote an article concerning BILL WALTON where he named some of SCOTT's associates. He termed the article 95 percent political.

SCOTT stated that exactly five weeks ago, JAY WEINER over the Christmas holidays, drove MILNER's Oriental girl friend from Philadelphia, Pa., to Las Vegas, Nevada, and eventually to Portland, Oregon. The trip was made via car but he does not know whose car was used. He estimated that trip took ten days. WEINER while in Las Vegas, Nevada, stayed at his parent's home since previously WEINER called his father to ask permission to remain there. SCOTT indicated that WEINER may presently be attending Temple University in Philadelphia, Pa., on a part-time basis.

MALTER SCOTT also identified an individual named PAUL HOCK who became acquainted with JACK SCOTT while teaching philosophy at Cherlin College. HOCK who is originally from Connecticut, is now teaching at some small college in Montreal, Canada. From what WALTER SCOTT knows about HOCK, he feels that this individual would ultimately crack and furnish what information he has regarding JACK SCOTT's activities with these fugitives.

SCOTT also noted that during a 1972 visit with his brother and wife at Oberlin, Ohio, he observed in their apartment at least one-half dozen hand guns and rifles.

SCOTT recalled an incident involving his father when he lived at 2014 Sacramento Street, San Francisco, California, whorein a bill collector was attempting to collect an old overdue bill from his father and they became involved in a heated argument and a police officer was

.8

summoned to the scene at which time his father pointed prifle at the police officer. His father was not prested for this incident.

SCOTT pointed out that his brother has influenced his father and mother completely with his philosophy and his father is anti-law enforcement and refers to police officers as "Pigs". Along these lines, he pointed out that his father keeps a pistol handy at the motel where he is employed, specifically underneath the registration counter and he said that if his father was approached in the wrong manner and agrivated, he feels his father would attempt to shoot interviewing officers.

SCOTT advised that from various conversations he has had with his brother, he was definitely told that the kidnapping of PATRICIA HEARST was legitimate and that before she broke and decided to embrace their philosophy, she was literally hanged in a closet for about a three week period. He further explained that the kidnapers definitely knew something about PATRICIA HEARST prior to the bidnapping and that she too was anti-culture.

September 1974 and he has not beer employed since September 1974 and he has now a job offer from ARANKO (American-Irab Oil Company) of Houston, Texas, to teach computer science at Diaran, Jaudi Arabia. This job, if he accepts, will pay \$2,700 a month.

Loumber of times during the interview SCOTT was asked if he knew the present wherealouts of PATRICIA HEARST or the HARRISTS and each time he said, if HEARST is not dead by now, she is in the Berkeley-Oakland, California, area. He could not give any specific reason for thinking she was dead other than the fact she may have outlived her usefulness.

Concerning the HARRISES he felt they might possibly be located in the Carolinas but again he gave no reason for this nor could be connect any conversations with his brother or parents which indicated these individuals were located in North or South Carolina.

The following is an account of polygraph examinations administered to WALTER JOSEPH SCOTT:

Polygraph examination of WALTER JOSEPH SCOTT:

WALTER SCOTT on 1/31/75, was interviewed for approximately ten hours by SRA and SA and SA at the Scranton, Pa., RA. The pre and post polygraph interview of WALTER SCOTT was conducted by SA participated in the pre and post polygraph interview.
WALTER SCOTT, in total, has been interviewed for approximately 30 hours.

A consent to interview and waiver to take polygraph examination were obtained from SCOTT and incorporated into PH file.

On the evening of 2/1/75, after conclusions of more than 10 hours of interview, an attempt was made to have WALTER SCOTT take polygraph examination. The results are considered meaningless primarily due to his fatigue at that time.

On Sunday, 2/2/75, WALTER SCOTT returned for a polygraph interview and advised he had had a restful night.

The conclusions of the polygraph examination were made considering the past and present mental conditions of WALTER SCOTT, whose overall demeanor gives appearance of being tense. SCOTT smiles infrequently. Some of his actions to release tensions are not the best interest in obtaining readable polygraph charts, for example, he was observed and admitted that he was biting his teeth together, which he classifies as a way to release tension. This interferes with the polygraph chart.

Due to the extensive pre-polygraph interview, the polygraph examination was directed toward verification in ascertaining the truthfulness of WALTER SCOTT's story, to ascertain if he was implicated in any way to the harboring of PATRICIA HEARST or the HARRISes and primarily toward checking the truthfulness of his account of PATTY HEARST being in his parents' Las Vegas apartment around 9/27/74.

on 2/3/75, without divulging the identity of the case involved, discussed the mental condition of a person being afforded a polygraph examination with noted psychiatrist at the engaged in a continued study of the polygraph. advises that a person having a mentally depressed state of mind does not lose accuracy. He advises that a person involved in the computer field, as is WALTER SCOTT, is a type of person who has to "Dot every i and cross every t", and it was probably more because of this reason that the person being interviewed would want to be very explicit as to what he actually knew and to what he actually suspected. He stated that from a narrative of WALTER SCOTT's employment history (no specific details furnished other than computer work, mostly in scientific fields), he did not believe that the person being interviewed was in a deep state of depression at the present time. A person in deep depression is more relaxed in the evening hours and his general conversation is directed toward degrading himself. It is to be noted that WALTER SCOTT, throughout the extensive interview, wanted to convey that he had responsible positions that paid him in the \$20,000 bracket. He said that his I.Q. was 139 and that his military record would verify this.

It is significant to note insofar as the current polygraph examination is concerned, there are no noticeable emotional responses indicating deception to the very important questions inquiring as to whether or not WALTER SCOTT furnished truthful information to the FBI about PATTY HEARST and about the HARRISes.

Source was interviewed regarding the activities of JACK SCOTT and supplied the following information regarding SCOTT's involvement with fugitives PATTY HEARST, EMILY HARRIS and WILLIAM TAYLOR HARRIS. The source supplied the following two telephone numbers belonging to JACK SCOTT during spring and early summer 1974. These are both New York City telephones. They are 212-362-1612 and 212-362-8772.

The source advised that he now recalls that on approximately October 27, 1974, JACK SCOTT took a mysterious airplane trip between Portland, Oragon, and Boston, Mass. He was very mysterious regarding the reason for the trip.

The source advised that on approximately November 17, 1974, JACK SCOTT and his wife, MICKI, stayed at the Campus Motel, 1819 University Avenue, Barkeley, Calif., telephone number 841-3844. They were there for several days on approximately the date given.

JACK SCOTT utilized the following motels in the Berkeley, Calif., area. They are in order of importance, 1. Berkeley House, 2. Bellaire, 3. Capri, and 4. Plaza.

The cource advised that he was told by JACK SCOTT that the fugitives named above have good identifications and names of deceased persons. He was under the impression that the identifications were obtained while JACK SCOTT was in the New York City area. He was unable to furnish any information particularly regarding how these identifications were obtained.

The source advised that JACK SCOTT and his associates utilized a telephone relay system which is clandestine in nature. This simply involves calling a third party to relay a message by telephone to the person for whom the message was originally intended.

The source advised that JACK SCOTT frequently uses credit cards belonging to his father. These credit cards

After JACK SCOTT left the home of his parents in Las Vegas he went to Berkeley, Calif., with his wife MICKI. Upon arrival at Errkeley, Clif., which occurred on approximately October &, 1974, JACK SCOTT was treated for a rash or a skin infection at the University of California Hospital. Following his release from the Hospital, he proceeded to Poptland, Oregon, to take up residence with BILL WALTON, a basketball player for the Poptlant Trailblazers. All of this occurred within the month after SCOTT brought PATTY HEARST to Las Vegas on her way back to Berkeley, Calif.

The source supplied the following information regarding JACK SCOTT's use of the telephone in a clandestine manner. The source has been present when SCOTT had made apparently clandestine telephone calls on occasion which apparently pre-determined times. On occasion, code words were given and intermediaties relayed the information to the party for whom it is ultimately intended.

Source was shown a photograph of JAY WEINER, white male, date of birth July 2, 1954. Source identified this photograph as being a friend of the person who is referred to as JAY WEINER, an associate of JACK SCOTT. He pointed out; however, that the photograph was obviously taken some years ago.

The source was shown a photograph of PAUL HOCH, date of birth September 3, 1942. The source advised that this photograph is a photograph taken at an earlier date of the individual he knows as PAUL HOCH, who is as associate of JACK SCOTT.

The source was questioned as to his knowledge of anyone connected with JACK SCOTT in the Vancouver, British Columbia area of Canada. The source advised that Vancouver is significant with regard to JACK SCOTT's associates. JACK SCOTT has ... a long time friend named ERNEST BECKER who formarly was a professor at Syracuse University Source advised that he thinks BECKER is black but he is not sure of this and has never seen BECKER. BECKER exerted an extremely radical influence on JACK SCOTT when he was attending Syracuse University. EECKER was later dismissed from Syracuse University over his radical activities. BECKER was married to a women the source thinks may be named JUSTINE, race unknown. The last time the source knew anything about BECKER he was dying of terminal cancer approximately 1 1/2 years ago and living in Vancouver, British Commbia. JACK SCOTT has maintained an excellent close friendship with BECKER over the years and is also very friendly with BECKER's wife. The source advised that although ERNEST BECKER may now be dead, his wife shares his radical ideas and is close enough to JACK SCOTT that he might turn to her for assistance even in concealing fugitives.

The source advised that JACK SCOTT has intensive feelings for BECKER and was most discressed when he discovered BECKER was dying. At times he considered moving to Vancouver, British Columbia, to help BECKER's wife at the time he would pass away. Source advised that following BECKER's termination

When questioned regarding any associates of JACK SCOTT in the San Diego area, the source revealed that there is a friend MICKI MC GEE from Oberlin College who was at the present time teaching in the Physical Education Department at Oberlin College. She was radical in her political beliefs and was a girl friend of GEORGE SAUER, a professional athlete and a friend of JACK SCOTT. She was coaching women's sports at Oberlin College at the time of JACK SCOTT's departure.

Source provided the following information concerning an associate of JACK SCOTT:

He advised that this person whose name is believed to be BOB FULLER, might be a very key person in JACK SCOTT's radical activities. The source did not mention him earlier inasmuch as he could think only of persons who got things from SCOTT and FULLER was in a different category all together. FULLER was responsible for SCOTT gaining many things, so much so as to appear startling to the source.

The source advised that FULLER was the president of Oberlin College in Ohio during 1972 and 1973. He is a white male, 37 to 39 years of age, 5'll", 165 pounds, and he was responsible for radicalization of the entire Physical Education Department at Oberlin College. He was reponsible for getting JACK SCOTT the job of athletic director at the college even though SCOTT had very poor qualifications for the job and no employment record that was noteworthy. In fact, the source pointed out that JACK SCOTT had never worked before. Furthermore, JACK SCOTT did not have a degree in Physical Education but in Educational Psychology. Instead of starting at \$10,000 a year which a normal degree holding person would have to start at he started at \$16,000 in very plush offices and was given very much a free rein within the Department.

The source feels that FULLER may have authorized some funding of JACK SCOTT's trip to Cuba while he was at Oberlin College. FULLER brought PAUL HOCH to Oberlin College and placed him in the Physical Education Department. HOCH had a degree in Theoretical Psychology, hardly an ideal background for physical education. TOMMY SMITH, a notorious black radical from track and field events, was also brought to Oberlin College, as a coach.

FULLER appeared to cater to the newly radicalized Physical Education Department to the point where the trustees of the college and other faculty members became hostile toward him. As a result, FULLER was forced to resign.

Another fact which seems strange to the source was

that although FULLERS pending resignation was not common knowledge at all at the college somene had forewarned JACK SCOTT before hand so that he could leave the college before being kicked out. This was necessary because FULLER was SCOTT's main support at the college. FULLER then induced full pay-offs of JACK SCOTT's contract by the college trustees.

FULLER, described as highly intelligent, was in New York City as of the summer of 1974. He has a Ph.D. in Physics from Princeton University. His wife has a Ph.D. in mathematics and may now be teaching at Columbia University. FULLER had come from Columbia University to Oberlin College.

A confidential source at Philadelphia, Pa., has identified JAY WEINER, white male, date of birth 7/2/54, as being enrolled at Temple University, Philadelphia, Pa. He is 5'9", brown eyes and hair and has transferred from Oberlin College in Ohio in the fall of 1974. Subsequent investigation has determined that WEINER resides with his parents, SAMUEL and HILDA WEINER, 1102 Eldridge Street, Philadelphia, Pa.

A check with the Department of Motor Vehicles, Harrisburg, Pa., determined that JAY WEINER has Pennsylvania Driver's License Number 16#16553, and must wear glasses while driving.

The following investigation was conducted by

On 9/19/74 a 1968 beige Volkswagen coupe, VIN 118231733, bearing 1974 Ohio license plate YY1587 was recovered at Seelvville, Pa., and stored at a location in Seelyville, Pa. State Police records indicate that a stolen report was filed in New York City on 9/6/74 reporting the vehicle stolen. The registered owner of this vehicle was listed as MICKI SCOTT, 317 West 90th Street, New York, N.Y. On 9/28/74 the vehicle was released to WALT A. SCOTT after proper identification was shown.

Contact was made with real estate agents of the Strout Realty Company, Hamlin, Pa., and representatives advised that based on a description furnished by FBI Agents the only farm which might fit the description would be that owned by TIMOTHY O'SULLIVAN, RD #2, Callicoon, N.Y., and O'SULLIVAN had placed a listing with the realty company to sell the property located at RD #3, Box 145, Lake Ariel, Pa., around 7/6/74 with the instructions that this property was currently being rented and that no sales could be

agreed upon until after 10/1/74. Mr. O'SULLIVAN further advised the real estate agency that he had rented the proper for a three-month period to some writers from New York City for approximately \$2,000. Representatives went by the property on several occasions and observed several Volkeswagens with out-of-state license plates either New York or Ohio, which they were not positive of, and also took photos of the house. On one occasion a representative observed an oriental-featured girl looking out one of the windows but for the most part the occupants of the farm would not come out in the public but would send usually the oriental girl to handle any inquiries made at the farm.

On 2/3/75 a representative of the realty company who had access and custody of the property agreed to show the property to Special Agents of the FBI and accompanied by this representative Special Agents made an inspection of the property and determined that it is a white frame house, multi-storied, 7.3 miles from Route 348, with an address of Box 145, RD #3, Lake Ariel, Pa. This house in the front had a mailbox with the name SCHOTT which also had several bullet holes in it. There was a paved surface adjacent to the residence with a swing set and a clothesline running

from a pole in the yard to the corner of the house. The house had two entrances, one from the front off a covered front porch and a rear entrance to the kitchen. On the first floor of the house was the kitchen, diningroom, livingroom, bath, and hallway. On the second floor were three bedrooms and a stairway leading to the attic. There was also a basement in the house which contained the furnace and other utilities.

Observed on the dresser of one of the front bedrooms second floor was a book of matches advertising
Quality Inns with the address Quality Inn Ambassador, 3484
Hanley Road, RD #1, Perrysburg, Ohio, 43551, telephone
number 419-837-5080. In the basement of the residence was
observed pieces of newspaper and an envelope twisted
together and partially burned. The envelope was addressed
from Finan, Beecher, Wagner, and Rose, Attorneys and
Counselors at Law, to Mr. TIMOTHY O'SULLIVAN, 4-0 Corporation,
RD #2, Callicoon, N.Y., 12723, postmarked U.S. Postal
Service Pennsylvania 180 8 August 72 PM with the PM
encircled in blue ink. This envelope contained the notation
on the front 2967064 Karl Wagner Bouse. Also observed in
the house were various pieces of newspaper, both from

New York City and Scranton, Pa., dated during the period August and September 1974. Ashtrays contained cigarette butts of True, Carlton, and Marlboro cigarettes and there were several empty Schaefer beer bottles in the kitchen. On the diningroom table was a notepad with a note to tenants with instructions on how to obtain fuel for the house. On the back of the notepad were notations containing figures of dollar amounts and other notations which had been crossed through and the word Tallahassee. In a cabinet in the livingroom was observed a disconnected telephone with telephone number 937-4645.

This residence was unusually clean of any other material which might reflect the identities of any occupants and was a completely furnished home. Also on the premises was a barn which contained machinery and farm instruments together with corn and a boat. In the bar were observed several newspapers from New York City dated during the period August and September 1974. To the rear of the house over the hill were several ponds.

Neighborhood investigation reflects neighbors collectively observed several white females and several white males at the farm during the period July, August, and the

Were observed, one of an orange or red color with a New York or New Jersey license number and one of a lighter possibly tan color with either Ohio or New York license plates. One of the occupants was described as a nice-looking oriental type girl with short black hair and one of the occupants was described as a white female, short, with very short red hair and freckles, and one neighbor remembered the name MICKI being used by one of the females but could not describe MICKI. Another neighbor advised that the occupants had a large aging German shepherd dog named Sigmund. Neighbors further advised that sometime around the first or second week of September 1974 the cocupants of the farm left the farm and no one has rented this premises since that time.

Background information concerning the owner
TIMOTHY O'SULLIVAN is being developed before a direct
approach is made to O'SULLIVAN to determine what his feelings
may be in regard to cooperating with the FBI in this matter.

Attached reports on the extensive physical surveillances of key suspects involved in the harboring of SLA fugitives.

Our San Francisco Office advised on 2/27/75, that John Vincent Scott and Micki Scott were observed arriving San Francisco International Airport (SFIA) at 11:30 a.m., 2/27/75, via Pacific Southwest Airlines Flight 931 from San Diego. Scotts rented 1974 Chevy from Trans Rent-A-Car, Burlingame, California. Scotts to return car to SFIA 3/1/75. Scotts drove to San Francisco and thence to Berkeley, California, and surveillance efforts are continuing. Scotts lost in traffic in Berkeley.

John Joseph Scott was served with a grand jury subpoena on 2/27/75, and a formal request for immunity has been sent to the Department of Justice should he desire not to testify during his appearance before Federal Grand Jury in San Francisco on 3/6/75.

Our Las Vegas Office identified Jack Scott as previously arriving at residence of elder Scotts on 2/26/75. Scott and his parents were observed making phone calls from pay telephones and efforts to trace these calls are continuing. Jack Scott departed McCarran Airport at 9:00 p.m. en route to San Francisco via San Diego, California.

Our Philadelphia Office advised that J. Weiner appeared for interview 2/27/75, denied having seen fugitives and refused to answer questions concerning trips made by him to Scranton area during Summer of 1974. Weiner desires future interview after thinking things over.

PH 4389-PCI advised that John Joseph Scott has filed no Federal income taxes for approximately ten years. Philadelphia Office recommends strongly that Jane Olmstead of Washington, D. C., (girlfriend of PH 4389-PCI) not be interviewed in that such interview would adversely affect future relationship with source and possibly divulge his identity. Source is scheduled to depart for Iran on 3/3/75. Efforts being made to locate fingerprints of Philip Shinnick for comparisons with prints located at Honesdale, Pennsylvania, farm.

SOURCE ALSO NOW RECALLS THAT ON DAY HE ARRIVED AT LAS VEGAS. (SEPTEMBER 28, 1974). HIS MOTHER TOLD HIM ON THE PHONE WHEN HE CALLED FROM THE AIRPORT THAT JACK SCOTT COULD MEET HIM AT THE AIRPORT. SOURCE ADVISES HE HAD NOT RECALLED THIS PHONE CALL UNTIL RECENT INTERVIEW AND THIS WOULD INDICATE JACK SCOTT MUST HAVE BEEN*AT THE APARTMENT IN LAS VEGAS FOR SOME TIME BEFORE HIS ARRIVAL. THEREFORE, HIS SIGHTING OF HEARST AND JACK SCOTT ARRIVING IN THE RENTAL VAN AT THE HOUSE WAS NOT THEIR INITIAL ARRIVAL AT ALL . SOURCE ALSO POINTED OUT THAT FATHER TRIED TO KEEP HIM FROM COMING TO LAS VEGAS WHEN HE CALLED FROM ENGLAND IN LATE SEPTEMBER AND IRIED TO WIRE MONEY TO HIM. THE SOURCE CAME TO LAS VEGAS INSTEAD, WITHOUT INDICATING TIME OF ARRIVAL AND PARENTS WERE NOT AWARE OF HIS PRESENCE IN THIS COUNTRY UNTIL HE CALLED FROM LAS VEGAS AIRPORT. WEINER CONFIRMED THAT HE HAS SPOKEN BY PHONE TO ELDER SCOTTS,
PHIL SCHINNICK AND PAUL HOUK, SINCE FIRST CONTACTED BY BUREAU
AGENTS. HE CLAIMS NONE OF THEM HAVE ADMITTED ANY INVOLVEMENT TO

ARRANGE A LECTURE BY WEINER TO SCHINNICK'S CLASS AT RUTGERS.
IT IS NOTED SCHINNICK NO LONGER EMPLOYED BY RUTGERS, ACCORDING
TO PREVIOUS INVESTIGATION BY NEWARK.

PHILADELPHIA IS OF THE OPINION THAT WEINER REALIZES POSSIBILITY
HIS FINGERPRINTS MAY BE DISCOVERED AT FARM IN HONESDALE, PA.,
AND IS CONCEALING HIS KNOWLEDGE OF WHEREABOUTS OF FUGITIVES.

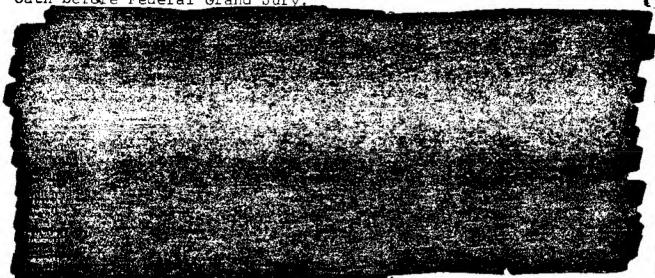

IT IS RECOMMENDED SAN FRANCISCO CONSIDER ISSUING SUBPOENA FOR WEINER TO TESTIFY UNDER OATH BEFORE GRAND JURY. WEINER APPEARS VERY NERVOUS AND A GRAND JURY MIGHT HAVE A DESIRABLE EFFECT UPON HIM.

Weiner also recalls stopping at a house close to Scranton (Honesdale, Pennsylvania, farm) but denied knowledge of fugitives' presence at farm. Weiner appeared very nervous and San Francisco considering having him testify under oath before Federal Grand Jury.

On 3/4/75, our Buffalo Office advised that Anne Randolph Hearst, sister of Patricia Hearst, accompanied by one Donald Robert Moffet and George Clipperd Boomer, while entering United States from Canada via Rainbow Bridge, Niagara Falls, New York, were searched by U. I. BACKGROUND REGARDING KIDNAPPING IN STRONGSVILLE, OHIO, FEBRUARY 7, 1975

C# 9-2585

On February 7, 1975, an eighteen year old son of a wealthy Strongsville, Ohio, businessman was kidnapped in the vicinity of his residence by one male individual. The victim was placed in the trunk of the male's car, but later escaped by prying the trunk open and fleeing on foot.

Subsequent investigation determined that RICHARD GEORGE KRAVANJA was believed to be responsible for the kidnapping. Due to the local nature of the kidnapping, KRAVANJA was charged with kidnapping by the Strongsville, Ohio, Police Department. KRAVANJA surrendered himself with his attorney to the Strongsville, Ohio, police on the morning of February 11, 1975. KRAVANJA was subsequently indicted by a local Grand Jury at Cleveland, Ohio, and he is incarcerated at the Cuyahoga County Jail on \$50,000 bond.

During the course of the kidnapping, a male caller, believed to be KRAVANJA, telephoned the residence of the victim and requested a large sum of money. A call was taped by the Federal Bureau of Investigation (FBI) with the consent of the victim's father and this tape was listened to by the Special Agent who received numerous telephone calls from a male caller on the evening of January 4-5, 1975, in connection with a \$250,000 extortion of Mr. RANDOLPH A. HEARST.

Upon listening to the above tape, the Special Agent advised that the voice on the tape sounded like the voice of the male individual who telephoned him on numerous occasions on January 4-5, 1975.

V. INTERVIEW OF GEORGE NIETO AND OBTAINING OF ROYAL TYPEWRITER, FEBRUARY 18, 1975

Date of transcription 2.25.75

GEORGE NIETO, 13316 Harold Avenue, Cleveland, Ohio, telephone number 941-4766, was advised of the identities of the interviewing Agents and that the nature of the interview concerned RICHARD G. KRAVANJA, also known as Richard Anthony Cravana. Mr. NIETO was interviewed in the garage of his residence.

Mr. NIETO advised that he and his wife, TERESA, raised RICHARD KRAVANJA. Mr. NIETO advised that the persons living at his residence are himself, his wife, TERESA, and his mother, CARLOTTA NIETO and his sister, MARIA NIETO.

Mr. NIETO stated that RICHARD is very close to himself (NIETO) and Mr. NIETO's mother. He visits their residence on an irregular but fairly frequent basis. Mr. NIETO stated that he could not recall the specific times or dates when RICHARD visited Mr. NIETO's residence over the past two months.

when he was specifically asked whether he could recall if RICHARD visited Mr. NIETO's residence between January 3, 1975 and January 6, 1975, Mr. NIETO stated that due to the passage of time, he was unable to recall that weekend specifically and, therefore, he could not recall if RICHARD visited his residence at that time. Mr. NIETO stated that every Sunday, including January 5, 1975 to his knowledge, he, his wife, and his mother attend the 11:00 AM mass at the Ascension Church. Mr. NIETO stated they are gone from their residence from approximately 10:45 AM until 12:15 PM and the only one home on Sunday mornings at that time is his sister, MARIA NIETO, who attends a Saturday afternoon mass each weekend.

At this point, Mr. NIETO was furnished a "Consent to Search" form and his rights in this regard were explained to him by the interviewing Agents. Mr. NIETO stated that he understood his rights regarding the search of his home and he signed the Consent to Search form with a statement that "You can look anywhere. I have nothing to hide."

IX. INTERVIEW OF RICHARD G. KRAVANJA ON MARCH 3, 1975 RICHARD G. KRAVANJA, also known as Richard Kravana and Richard A. Cravana, was interviewed in the library at the Cuyahoga County Jail, 1560 East 21st Street, Cleveland, Ohio, in the presence of the Strongsville Police Department, Strongsville, Ohio.

KRAVANJA was advised of the identities of Special Agent of the Federal Bureau of Investigation (FBI) and School KRAVANJA was furnished an "Interrogation; Advice of Rights form, FD-395, which he read, stated he understood his rights, and he signed the "Waiver of Rights" section of the form. Special Agent and then signed the witness section of the "Interrogation; Advices" of Rights" form. KRAVANJA was advised he did not have to answer any questions and he still retained the rights contained on the above form.

When asked by Special Agent if he sent letters to Mr. RANDOLPH HEARST in California through the United States Mails, KRAVANJA stated, "I did it." KRAVANJA stated he prepared and mailed two typed letters, one page each, in envelopes addressed to Mr. HEARST in California, during the Christmas holidays, 1974, and early January, 1975. KRAVANJA stated he used the typewriter owned by his uncle, GEORGE NIETO, to type the two letters he sent to Mr. HEARST. He stated the typewriter was located in the basement recreation room at GEORGE NIETO's residence, 13316 Harold Avenue, Cleveland, Ohio. KRAVANJA advised that he told GEORGE NIETO that he needed to use the typewriter for "something he needed for school". KRAVANJA stated GEORGE NIETO was totally unaware of the fact that he used the typewriter to type letters to Mr. HEARST. KRAVANJA stated he never took the typewriter out of his uncle's residence, but rather he typed the letters to Mr. HEARST in his uncle's basement recreation room. He stated he used paper kept in his apartment for one of the letters.

Regarding the contents of the letters, KRAVANJA stated he recalled in one letter he directed Mr. HEARST to come to Cleveland, Ohio, but he could not recall if he asked Mr. HEARST to bring money to Cleveland. He could not

CV 9-2585

recall the contents of the letters in any other detail.

KRAVANJA stated that two or three days after New Years Day, 1975, he used pay station telephones in the Parma, Ohio, and Parma Heights, Ohio, area to telephone a representative of Mr. HEARST who had come to the Cleveland area as he had directed in the letter to Mr. HEARST. He stated he recalls making at least three calls to the representative of Mr. HEARST. KRAVANJA advised he recalls that the representative of Mr. HEARST identified himself as "Mr. HEARST's lawyer" and he recalled the man told him he was "from out of town" and was driving a rental car.

KRAVANJA stated he cannot recall the telephone numbers nor locations to which he directed HEARST's representative. He stated he could not recall specific telephones from which he telephoned HEARST's representative, nor did he recall giving instructions to drop a package containing money at any specific locations.

KRAVANJA stated he was emotionally upset during this period since he had broken up with his girlfriend, DOLLY PARISI, during December, 1974. He stated "everything fell apart" for him after he broke up with DOLLY PARISI and he cannot explain why he sent the letters to Mr. HEARST. He stated he did not send the letters to Mr. HEARST to obtain money and he would never cause physical harm to anyone. He stated that he "just had to do it and I don't know why" when asked why he sent the two letters to Mr. HEARST.

When asked why he could not recall more details concerning the letters sent by him to Mr. HEARST and the night he made the telephone calls, KRAVANJA stated he was not trying to withhold any information, but on occasion he cannot recall what he does or says. He stated he honestly could not recall any other details regarding the letters or the night of the telephone calls to HEARST's representative, although he stated he knows he did something wrong.

KRAVANJA stated no one else was involved with him in the preparation and mailing of the letters to Mr. HEARST, nor on the night he made telephone calls to Mr. HEARST's representative.

LCV 9-2585 3

KRAVANJA stated he wanted his family and others to be proud of him and this led him to send the letters to Mr. HEARST. KRAVANJA stated that during the Christmas holidays, 1974, he strongly considered taking his own life due to the breakup with his girlfriend.

KRAVANJA declined to furnish a written statement regarding the above information.

* Attached SFO teletype advises that John Joseph Scott was located in Room 546, Hilton Hotel, San Francisco. Scott was advised U.S. Attorney (USA) agreeable to immunity on harboring charges. Scott voluntarily furnished some information prior to meeting with his attorney. Scott claimed he and his wife held "almost as captives" by alcoholic son Walter Scott in Las Vegas apartment. He admits departing Berkeley, California, 6/17/74, and picking up unidentified female hitchhiker known only as "Katy" whom they transported to unknown town in Ohio. While traveling to east coast with John Joseph Scott and his wife Louise, his son Jack and hitchhiker Katy registered as man and wife.

USA's Office, San Francisco, advised that on 3/5/75, (radical) attorney Doron Weinberg contacted them and stated he was retained by John Joseph Scott and would request a two weeks continuance of Scott's appearance before FGJ. USA agreed to continuance. John Joseph Scott indicated he would testify before grand jury along lines of above interview.

Las Vegas Office advised that Louise Scott reinterviewed 3/5/75, and characterized her son Walter as "absolutely crazy, a drunk, and violent." She refused to discuss details concerning trips to Pennsylvania and New York City. She stated she would be willing to appear before FGJ. She showed great concern for welfare of her son, Jack Scott.

On 3/5/75, Bill Walton telephonically contacted Portland Office advising that all interviews with him, Susan Guth, and Don Salera would have to be arranged through attorney Charles Garry of San Francisco.

Our San Diego Office advised Lynda Ann Huey interviewed 3/4/75 Huey denied knowing whereabouts of Jack and Micki Scott. stated that the Scotts stayed at her house 2/26-27/75, and that when Jack Scott arrived, he advised that his father would "probably have to go to jail due to the grand jury." Jack and Micki told Huey they would have to "drop out of sight due to the grand jury."

The General Investigative Division has instructed the San Francisco Office (SFO) to immediately initiate Federal Grand Jury (FGJ) action on remaining harboring suspects.

Our Buffalo Office advised 3/5/75, that Anne Randolph Hearst and Donald Robert Moffett charged with misdemeanor violation Federal narcotics laws by Drug Enforcement Agency, Buffalo, and arraigned before U.S. Magistrate. Moffett and Hearst released on \$1,000 personal recognizance bond and preliminary hearing set for 3/19/75. Hearst represented by attorney George Grobe of Buffalo who has applied for return of Hearst's 1974 Mustang. In view of misdemeanor charge, automobile will be returned. Copy of address book and other personal papers of Anne Hearst obtained and being evaluated by SFO.

	For information, a synopsis of Milwaukee investigation since the summary airtel submitted on 2/7/75 is as follows:
	Appleton, Wisconsin, long-time acquaintance, fellow student, and friend of PATRICIA HEARST was interviewed on 2/7/75. Results of interview were immediately submitted. Essay by ESVEIN entitled, "In Defense of Patty Hearst," regarding ESVEIN's theory concerning PATTY HEARST, printed in Tropos Review," a magazine of Lawrence College, was obtained and submitted by airtel dated 2/20/75. All Milwaukee headquarter city employees presented program on 2/14/75 to update them on the Hearnap case for their assistance in handling complaints and leads in this case.

The conference included showing enlarged photographs and slides prepared by Milwaukee to depict subjects and possible disguises. Tapes of subjects' voices furnished by Bureau and Chronology of Events Surrounding the Kidnaping of Patricia Campbell Hearst were played. Milwaukee prepared a tape of Mr. KELLEY's comments as set forth in "Argosy" magazine which was also played.

Milwaukee has continued saturation of publicity approach to this case. Areas deemed most logical have been targeted for heavy saturation of Wanted Flier 475A (WF 475A). In addition to Milwaukee, Green Bay RA, Kenosha RA, and Madison RA have been furnished WF 475A in quantity for heavy saturation. To date approximately 10,000 of this WF have been distributed for dissemination to all persons deemed logical during the normal course of Bureau business including theaters, sporting goods and gun stores, and all phases of law enforcement.

Milwaukee continues to immediately follow look-alike sitings to their logical conclusions. Leads received from other Divisions are handled expeditiously and results of investigation are submitted as soon as thorough investigation is completed. This includes investigation indicated by teletypes concerning possible associates of those individuals believed to have assisted in harboring and travel of subjects.

Milwaukee has again depleted its supply of WF 475A and by separate communication has requested 3,000 more of this wanted flier in order to continue the saturation of publicity program being conducted in the Milwaukee Division.

Based on Tampa nitel dated 2/22/75 regarding information from one concerning a Milwaukee conducted intensive investigation to locate a Besults of investigation regarding the only who had been in Oshkosh disclosed one whose father dvised the FBI of the whereabouts of his son on 12/24/74:

the same story to the FBI as had his father. Also

Wisconsin for more than one year and had never been to
Canada.

Thorough logical investigation to locate any other in Oshkosh, Wisconsin, including pertinent directories and agencies in addition to a search of the University of Wisconsin records, State of Wisconsin Driver's License files, and Winnebago County, Visconsin, Local Draft Board records, disclosed no other in the Oshkosh area.

As deemed pertinent to better handling of their assignments in connection with this case, Milwaukee employees will at logical intervals be updated regarding developments in this case.

Informants and contacts will continue to be alerted regarding the subjects and appropriate dissemination of information will be made to local law enforcement in Wisconsin.

NATIONAL CRIME INFORMATION CENTER (NCIC) SEARCH RE WEAPON USED BY PATRICIA HEARST ON 5/16/.74:

Milwaukee had an article regarding the .30 caliber Carbine allegedly used by PATRICIA HEARST on 5/16/74 printed in the 2/21/75 issue of the Law Enforcement Bulletin of the State of Wisconsin, Department of Justice.

MI 7-563

This article pointed out that the firearm used has not been recovered and requested should a firearm matching the description be recovered, the nearest FBI Office should be contacted. Appropriate employees of the Milwaukee Office and all Agents have been alerted regarding the above.

Milwaukee will continue saturation of publicity and will vigorously follow all leads in this case until a logical conclusion is reached.

Mrs. LOUISE SCOTT was compared and interviewed at her apartment, Camelot Apartments, 5016 Maryland Parkway South, at which time she furnished the following information:

Mrs. SCOTT advised that approximately one week ago MICKEY SCOTT, wife of the younger son JACK SCOTT, came to Las Vegas on some Sunday evening, February 16, 1975. She advised that she and her husband picked her up at Mc Carran Airport at approximately 8:30 that evening. She stated that MICKEY stayed with them until Tuesday morning February 18, 1975, at which time they took her to Mc Carran Airport at approximately 7:30 a.m. where she got a flight to either Portland or San Diego. Mrs. SCOTT stated that she was going to meet a lady by the name of HUEY since both MICKEY and this HUEY lady were in the process of writing a book.

Mrs. SCOTT was then asked if during the Summer of last year if she along with her husband, her son JACK, and MICKEY had taken a trip. She hesitated for a minute and then stated "Yes, we're having so much trouble with our oldest son WALTER that we all left on a trip."

Before the interviewing Agent could determine dates, places, times, etc., regarding this trip her husband JOHN SCOTT entered the room and told Mrs. SCOTT that these individuals (referring to the interviewing Agents) wanted any information about us they should contact our attorney in San Francisco.

In view of the above the interview was terminated.

Concerning his son JACK, SCOTT advised that his son JACK was present in this apartment on Wednesday, February 26, 1975, when the interviewing Agents served the GrandJury subpoena. When asked why he didn't mention the presence of his son in the apartment at the time, SCOTT stated that "you didn't ask me." Wedlesday, March 5, 1975, the day before the Grand Jury appearance, because although there was a flight into San Francisco arriving at 8:30 AM, he was afraid it would not be early enough to make the 9:30 AM appearance if he should be delayed in any way. Later in the conversation, SCOTT stated that the reason he was traveling to San Francisco, on Wednesday, was in order to contact his attorney, VINCENT HALLANAN. SCOTT stated that even if his attorney should recommend that he cite the Fifth Amendment privilege in his appearance before the Grand Jury, he would disregard the attorney's advice and testify fully and truthfully.

SCOTT related that his son JACK was very upset over the fact that his parents had received a Federal Grand Jury subpoena. SCOTT stated that his wife would not accompany him to San Francisco when he was to appear before the Grand Jury.

During the ensuing conversation with SCOTT, he related that he had been an alcoholic until 1969, and was in several hospitals. SCOTT stated that he has not taken anything alcoholic since 1969, when he realized what he had done to his wife and family.

Concerning his son WALTER, SCOTT related that WALTER is a "Jekyll and Hyde" personality and is a maniac when drunk. SCOTT said that he and his wife are deathly fearful of WALTER and have had trouble with him ever since he was in high school. SCOTT related that on one occasion WALTER assaulted his eight month pregnant wife, and on another occasion beat up five other guys when WALTER was in the U. S. Marine Corp. He said he did not know where WALTER was presently located and last heard from him when he was in Philadelphia. SCOTT stated that WALTER has been in and out of three or four mental institutions in and around Washington, D.C., area, and has such intelligence that he can talk his way out of any hospital. SCOTT related last fall, when WALTER was visiting them at the Casada Way Apartment, when he was drunk he grabbed a 22 rifle in the apartment, and thron it towards his mother on the bed. He then grabbed the right arm from the elbow to the shoulder was black and blue from the beating, and the police were called to calm JACK down. SCOTT further advised, there is a warrant outstanding in Las Wegas, LV 7 513

for is son WALTER, therefore, they believed he will not return to Lace Yegas on this account. SCOTT stated that he and his wife had their suitcase packed and in the trunk of the car ready to move from the Casada Way Apartment, in order to get away from their son WALTER; and were in fear that he would see the suitcases, realizing what was happening and again fly off the handle.

SCOTT related that his son JACK is the opposite of WALTER, good hearted, and has always tried to help them in any way he could with WALTER. SCOTT stated that on one occasion last year, WALTER was gambling and wanted some money and JACK stated that he would furnish WALTER an airline ticket, but no money, to fly to Scranton, Pennsylvania, and would leave \$1,000 with Western Union to be picked up by WALTER when he arrived. SCOTT stated that this was done, and within a very short time, WALTER had spent the \$1,000, and sought more money from his parents. SCOTT stated on another occasion, WALTER had stolen \$450 belonging to his mother, SCOTT stated as a result of the problems that they have had with WALTER over the years, they are financially strapped.

SCOTT stated that his son WALTER did work for Summa Corporation prior to getting a job with an oil company overseas. The older SCOTT inquired as to whether or not the interviewing Agents knew where WALTER SCOTT was located.

SCOTT stated that both of his sons are highly intelligent and have an IQ just below that of EINSTEIN.

SCOTT related another incident concerning his son WALTER on an occasion when he and his wife attended a football game with some neighbors from the Casada Way Apartment with WALTER. WALTER got into an argument with another man in the parking lot and demanded his father's belt. SCOTT stated that he took off his belt and gave it to his son since he was afraid not to. WALTER then wrapped the belt around his hand and was about to get into a fight with the other individual when the neighbor managed to talk him out of it.

LV 7-313

SCOTT advised that his son JACK has testified before a congressional meeting concerning drugs and sports; and Mrs. SCOTT displayed a newspaper clipping concerning the appearance and also displayed a photograph of the Nixon family from the White House.

Mrs. SCOTT spent the first hour furnishing detailed information pertaining to family history about her two sons, WALTER and JACK. She described WALTER as being absolutely crazy, ardrunk, violent, and that she wanted nothing to do with him whatsoever. She considered JACK to be a brilliant person and a person who has been extremely good to her and to her husband.

Mrs. SCOTT stated that the reason why JACK was terminated at Overland College, Ohio, approximately one year ago was due to the fact that he had hired two Negro athletes who gave the black power salute during the Olympics in Mexcio City. She advised that one of these was named C. KASS JACKSON. The other she did not know. She advised that this was the reason for JACK moving to Berkeley, California, to work on his Doctor's degree, and while at Berkeley, California, became associated with members of the Anti-War Movement and became actively involved in Anti-War demonstrations.

Mrs. SCOTT stated that she and her husband along with her son and MICKEY had taken several trips together and advised that they frequently visited them while they were at Berkeley, California; however, refused to discuss any details about an arranged trip they had taken this past Summer, 1974, to Pennsylvania and New York City.

Mrs. SCOTT will neither admit nor deny this trip, and stated that her husband told her to furnish no information about this trip to the FBI if they came back for requestioning her while he was in San Francisco testifying before the Federal Grand Jury. She did advise, however, that during the Summer of 1974, they were in JACK and MICKEY's apartment in New York City, and described the apartment as being on the third floor, which you had to walk up three flights of stairs to reach it.

She stated that she has met many friends and associates of both JACK and MICKEY, however, could not recall any names in particular, and stated that she met the associates while JACK was in Overland, Ohio, and Berkeley, California. She advised that some of these associates did accompany them on several trips.

She advised that while in New York, JACK and MICKEY made the comment that they were looking for a place in the country where it would be quiet and secluded so that they could write,, since it was so noisy in New York City and around their apartment that they could not enjoy peace and quiet.

She advised that at no time was she at a farm with JACK and MICKEY in Pennsylvania during the Summer of 1974.

She advised that during the past several years her son WALTER had taken about all the family funds and also had received an amount of money from JACK. She stated that her husband and JACK had given WALTER in the neighborhood of about \$30,000 over the past few years.

Mrs. SCOTT advised that JACK was a close friend of BILL WALTON. The reason for this close association was because of JACK helping WALTON getting to the University of California at Los Angeles and was a strong instigator of WALTON's joining the Portland Trailblazers basketball team. She advised that MICKEY and JACK were residing with the WALTONS in Portland, Oregon, in a house in which the owner of the Trailblazers built for BILL WALTON and sold to him for \$100,000.

Mrs. SCOTT stated that she had no additional information to furnish and stated that if necessary she would be willing to appear before the Federal Grand Jury in San Francisco, California, to testify. (2-7-79)

Re Dental Chart of Patricia Campbell Hearst.

Re San Francisco Nitel to the Bureau, Et Al, 2/28/75 concerning the comparison of dental chart of a deceased female body recovered 11/27/74 in South Bend, Indiana, against dental records of Patricia Campbell Hearst.

Referenced San Francisco Nitel sets forth the results of dental chart comparisons made of a deceased female body recovered 11/27/74 at South Bend, Indiana, against dental records of Patricia Campbell Hearst. Dr. DAVID S. ALLEN, who was PATTY HEARST's orthodontist for approximately a five year period, advised that most of PATTY HEARST's dental cavities were done in gold as opposed to silver and amalgam type fillings. Contact with CHAUNCEY CROSS, DDS, 1007 Leland, Springfield, Illinois, revealed that the American Dental Association, 211 E. Chicago Ave., Chicago, Illinois, prints a bi-monthly newsletter and a monthly journal which is distributed nation-wide to dentists.

If not already done and considered possibly worthwhile, the Bureau and San Francisco should consider furnishing the American Dental Association with PATTY HEARST's dental chart and photograph to be published in the newsletter and/or journal, in view of the fact that most of her cavities have been filled with gold. 7-15200-498

On February 26, 1975, at approximately 8:30 a.m. an attempt was made to interview JAY WEINER, 1102 Elbridge Street, Philadelphia, Pa. The interviewing agents knocked on the door and rang the bell of the residence described above. An individual later identifying himself as SAKURI, WEINER, father of JAY WEINER, arrived at the house at the same time the agents were ringing the door bell. Both agents identified themselves to Mr. WEINER and Mr. WEINER invited the agents to come inside. He then surmoned his son, JAY WEINER, to the downstairs living room area.

agents identified themselves as PBI Agents and showed WEINER credentials. WEINER wrote down the names of both agents. JAY WEINER was advised by SA that the agents wished to interview him regarding any knowledge he might have of the whereabouts of PATRICIA HEARST. WEINER replied that he did not want to talk to FBI Agents about this matter or any other matter. He then asked the interviewing agents to leave his home.

SAMUEL WEINER indicated a desire to talk privately with the agents at a time to be arranged later. He furnished the agents with his name and home tolephone number. The interview was then terminated:

His facilities are basically conservative and he is a real "child of the 1950's".

She has never meet WALTER's brother JACK or WALTER's She knows that WALTER both loves end hates his brother. She believes him to be somewhat justoue of his brothers success. WALTER has bragged to her about JACK's success at Oberlin College and in other fields. Although she has never set JACK in person she has talked to him on the phone and his wife MICKI, on the phone. This was done in the post by her, trying to locate WATER, since WALTER would often call her in the middle of the night from an unknown phone number. She remembers that she called this phone number in New York towards the end of Hay in an attempt to in contact with JACK SCOTT's telephone number in Oberlin, Ohio

She recalled that she had actually made reservations at a leasure series in Washington, D.C. and had to cancel her attendance because suddenly WALTER appeared knocking at her door on June 25. She had no idea he was coming. As she recalls the reason for his visit was to hunt for a job and during his period of stay he visited the National Institute of Health in Bathesda, Karyland where he applied for a job. During his visit they did not go out much because she was afraid around her but will wait until she is not watching.

The number he called was (717) 346-9275 and he called this number from June 26 through June 29, 1975. This could be Walfers uncle's telephone number in Scranton. 346-8711 in Scranton, Pennsylvania.

During the summer and fall of 1974 he would contact her believes in the late fall he was out of the country because of

him in person during this period of time, she talked to him quite often on the telephone. It was during this period of time that WALTER began to say that his parents and JACK SCOTT were in a good deal of trouble and that he had been talking to the VBL.

CLASTEAD stated that he never mentioned the HEARST case to her as being anything anybody was involved in. She assumed that the trouble with his relatives were involved in was regarding narcotic smugling. She assumed this since he had indicated they traveled around quite a bit and that his brother was a heavy nercotics user.

She was shown photographs of WILLIAM TAYLOR HARRIS, ENLLY MONTAGUE HARRIS and PATRICIA HEARST. She recognized HEARST's photograph from exposure in the press but stated that she has never seen any of the three individuals personally and knew nothing whatscever about the case.

She promised her cooperation with the FBI and stated that she would tell no one that the FBI had contacted her regarding WALTER or the PATRICIA HEARST matter.

THE VEHICLE WAS LOCATED IN A PARKING LOT AND HAS BEEN THERE SINCE FEBRUARY 27, 1975, AND HAD BEEN DRIVEN 54 MILES. THIS VEHICLE IS BEING PROCESSED BY THE SAN FRANCISCO OFFICE, AND THE BURLINGAME POLICE ADVISED THAT THE VEHICLE WOULD BE REMOVED FROM NCIC AND CLETS; HOWEVER, THE WARRANT WILL STILL REMAIN OUTSTANDING FOR JACK SCOTT.

RE: POSSIBLE INTERVIEWS OF JACK AND MICKI SCOTT,

ON MARCH 11, 1975, ATTORNEY CHARLES GARRY ADVISED THAT
HE REPRESENTS JACK SCOTT AND WILLIAM WALTON, AS WELL AS SUSAN
GUTH. HE STATED THAT ON MARCH 12, 1975, WALTON AND GUTH WOULD
BE IN HIS OFFICE AND HE WOULD TALK TO THEM ABOUT BEING
INTERVIEWED BY THE FBI. ON MARCH 12, 1975, GUTH AND WALTON
WERE INTERVIEWED IN GARRY'S PRESENCE AT WHICH TIME BOTH DENIED
HAVING ANY KNOWLEDGE OF THE WHEREABOUTS OF THE FUGITIVES, BOTH

. PAGE THREE SF 7-855

DENIED THEY HAD BEEN TOLD BY JACK OR MICKI SCOTT ANYTHING CONCERNING THE FUGITIVES, AND BOTH DENIED THEY KNEW ANY CONNECTION BETWEEN JACK AND MICKI SCOTT AND THE FUGITIVES.

WALTON STATED THAT HE FIRST PERSONALLY MET JACK SCOTT EARLY SEPTEMBER, 1974, WHEN JACK FLEW TO OREGON ON THE SAME DAY THAT SUSAN GUTH DID. GUTH PLACES THIS DATE AT EITHER AUGUST 31, 1974, OR SEPTEMBER 1, 1974. WALTON STATED THAT SOMETIME AFTERWARDS, ON A DATE WHICH HE DOES NOT RECALL. MICKI SCOTT ARRIVED. GUTH PLACES THIS DATE AT APPROXIMATELY SIX WEEKS AFTER JACK'S ARRIVAL AND WHEN MICKI ARRIVED. SHE WAS DRIVING A YELLOW VAN WITH FURNITURE IN IT. GUTH BELIEVED JACK WAS PRESENT. GUTH STATED THAT AS FAR AS SHE CAN RECALL. JACK STAYED AT THE WALTON RESIDENCE ALL OF SEPTEMBER, 1974. SHE POINTED OUT, HOWEVER, THAT SHE (GUTH) WAS AWAY FOR AT LEAST ONE WEEK AND DOES NOT KNOW IF JACK WAS THERE DURING THAT PERIOD. WALTON WAS AT TRAINING CAMP IN SALEM FOR TWO WEEKS BEGINNING SEPTEMBER 18, 1974. BOTH GUTH AND WALTON DESCLAIMED ANY KNOWLEDGE OF THE WHEREASOUTS OF JACK OR MICKI SCOTT.

WALTON GIVES THE IMPRESSION OF BEING MENTALLY SLOW AND IS A VERY SOFT-SPOKEN INDIVIDUAL WHO APPEARS TO HAVE LITTLE REGARD FOR DATES OR TIMES. GLNERAL PRESTIGATIVE DIVISION NAP SUMMARY

San Francisco Office (SFO) by attached teletype advises prime objective is to get J. Weiner before Federal Grand Jury so that his information will become a matter of record as sworn testimony. If cooperative, attempts should be made to target him against the Scotts and their associates since it appears that if any one knows current whereabouts of fugitives, it is Jack and Micki Scott. Current whereabouts of Jack and Micki Scott remains unknown; however, with Weiner testimony, we will have sufficient probable cause to obtain harboring warrants. Primary objective remains the location of our fugitives and obtainment of harboring warrants will be held in abeyance pending Weiner's willingness to cooperate. SFO plans on obtaining subpoena for Philip Shinnick's appearance before grand jury probably in San Francisco.

Subsequent Los Angeles teletype dated 3/12/75, sets forth results of in-depth interview of

sincere and cooperative and furnished specific details concerning Jack and Micki Scott, Bill Walton, and relationship to these people. Delieves Walton and Susan Guth unaware of Scott's involvement and present whereabouts.

On 3/11/75, John L. Guth, Assistant U. S. Attorney (AUSA), Civil Division, Los Angeles, was interviewed concerning his sister Susan Guth. AUSA Guth is cooperating and has agreed to contact his sister privately concerning this matter.

On 3/12/75, Susan Guth and Bill Walton were interviewed in the presence of their attorney Charles Garry at which time Walton denied knowledge of whereabouts of fugitives, that they have been told by Jack or Micki Scott anything concerning these fugitives, and that they knew of any connection between Jack and Micki Scott and the fugitives. Walton stated that many people reside at his house including athletes and writers and that he is unable to pinpoint dates of arrivals and departures of these individuals.

General Investigative Division monitored local broadcast 6:30 a.m., 3/13/75, that U. S. Attorney's Office, Harrisburg, Pennsylvania, announced they may seek indictments for one or more individuals who harbored Patricia Hearst in the Honesdale, Pennsylvania, area last year.

Philadelphia Office instructed to seek seal of J. Weiner's Federal Grand Jury testimony and request any indictments be withheld at this time to allow use of Weiner as source.

Investigation continuing and SFO being apprised.

EXTREME CONTEMPT AND HATRED. PATTY SCOFFED THAT THE STATE

FOOD DISTRIBUTION PROGRAM.

PATTY APPEARED CALM AND ABSOLUTELY DID NOT APPEAR TO BE HELD AGAINST HER WILL.

EMILY HARRIS STATED THE RUMORS OF THE DONALD DE FREEZE AND PATTY HEARST CONNECTION WERE UNTRUE AND BILL HARRIS STATED HE WAS NOT SHOPLIFTING IN LOS ANGELES BUT WHEN THE GUARD ATTEMPTED TO FRISK HIM, HARRIS FEARED HIS HANDGUN WOULD BE FOUND AND ENGAGED IN A SHOVING MATCH WHICH RESULTED IN PATTY SHOOTING THE FRONT OF THE SPORTS STORE FROM THE VAN. PATTY STATED SHE SHOT UP THE FRONT OF THE STORE DURING BILL'S ESCAPE FROM THE GUARD. BEFORE WEINER AND SCOTTS DEPARTED, EMILY HARRIS HUGGED WEINER AND ALMOST APOLOGIZED TO HIM FOR PUTTING WEINER IN AN "UNFAIR" POSITION REGARDING THEIR IDENTITIES AND WHEREABOUTS.

WEINER, JACK AND MICKI SCOTT DEPARTED LATER IN THE

MICKI SCOTT DROVE TO THE FARM AT LAKE ARIEL . PA. WEINER DROVE HIS TAN VOLKSWAGEN SEDAN AND THE SCOTTS DROVE THEIR 1970 VOLKSWAGEN. UPON ARRIVING AT THE FARM, WEINER OBSERVED NO ONE PRESENT AND NUMEROUS APPLIANCES AND A RADIO HAD BEEN - REMOVED. THE HOUSE WAS CLEAN AND IT APPEARED THE FUGITIVES HAD MOVED OUT. JACK AND MICKI SCOTT PROCEEDED TO WIPE DOWN ALL PARTS OF THE HOUSE WHERE FINGERPRINTS COULD BE LEFT. STATING "WHERE WOULD THE COPS LOOK FOR FINGERPRINTS?" THEY STAYED IN THE HOUSE ABOUT TWENTY MINUTES AND LEFT IN WEINER'S CAR FOR SCRANTON. PA. THEY STOPPED AND BOUGHT TEXAS HOT HOTDOGS IN SCRANTON AND HAPPENED UPON A MINOR LEAGUE FOOTBALL GAME BETWEEN LACKAWANNA AND THE CHAMBERSBURG CARDINALS AT SCRANTON STADIUM. THEY ATTENDED THE GAME. FROM A PAY TELEPHONE IN PORTLAND, ORE. JACK TOLD WEINER
THAT "OUR FRIENDS ARE OFF OUR HANDS," BUT GAVE NO INDICATION
AS TO THEIR WHEREABOUTS.

WEINER VISITED WALTON'S RESIDENCE IN PORTLAND, ORE., FROM DECEMBER 27, 1974, TO JANUARY 2 OR 3, 1975. DURING THIS STAY, JACK TOLD WEINER THAT "THEY" WERE IN A VAN WITH HIM BEING TRANSPORTED WEST WHEN THEY WERE STOPPED BY A STATE

TROOPER IN EITHER IOWA OR INDIANA. JACK TALKED THE TROOPER OUT OF GIVING HIM A SPEEDING TICKET BY JOKING ABOUT A BIG TEN FOOTBALL GAME THAT DAY BETWEEN IOWA AND INDIANA.

ON BOTH JANUARY 4 AND 5, 1975, WEINER VISITED WILLY BRANDT IN SOLEDAD PRISON, CALIF., AND GAVE BRANDT ABOUT FIVE CODED MESSAGES FROM JACK SCOTT. WEINER COULD ONLY RECALL TWO MESSAGES WHICH WERE "THE TEAM HAS MOVED WEST" AND "EMMA IS NOT WITH THEM ANYMORE." WEINER ADVISED EMMA REFERRED TO WENDY, WILLY'S GIRLFFIEND. WILLY TOLD WEINER HE WAS GLAD EMMA WAS NOT WITH "THEM".

NO MESSAGES WERE GIVEN BY BRANDT TO WEINER FOR DELIVERY
TO JACK SCOTT. WEINER DROVE HIS GIRLFRIEND, KATE WATSON,
TO LAS VEGAS TO MEET THE ELDER SCOTTS AND THEN WEINER AND
WATSON DROVE TO ALBUQUERQUE WHERE THEY RENTED AN APARTMENT
FOR WATSON. WATSON STILL RESIDING THERE. WEINER DROVE TO
BOULDER, COLO., ARRIVING AT 5:00 AM ON JANUARY 10, 1975, AND

PORTLAND ON NOON FLIGHT, JANUARY 13, 1975, FOR DENVER, COLO.

HE PICKED UP HIS BROTHER ED IN BOULDER, COLO., AND DROVE TO HIS PARENTS' HOME IN PHILADELPHIA, PA., WHERE HE NOW RESIDES. AFTER ARRIVING IN PHILADELPHIA ON JANUARY 19, 1975, WEINER READ "DAILY WORLD" NEWSPAPER ARTICLE REGARDING FBI CONTACT AT BILL WALTON'S RESIDENCE. WEINER CALLED MICKI AND ASKED WHAT WAS UP. MICKI EXPLAINED IT WAS NOTHING AND WAS VERY CURT.

ON FEBRUARY 24, 1975, JACK SCOTT CALLED WEINER IN PHILADELPHIA AND SAID THE FBI HAS A BAD THEORY THAT WILLY BRANDT AND JACK SCOTT STARTED THE SLA AND WERE BEHIND IT.

FBI COMES TO SEE HIM.

ON FEBRUARY 27, 1975, THE FBI HAD ATTEMPTED TO INTERVIEW WEINER IN PHILADELPHIA AND WEINER CALLED JOHN J. SCOTT IN LAS VEGAS, NEV., IN ATTEMPT TO LOCATE JACK SCOTT. JOHN J., SCOTT TOLD WEINER HE DID NOT KNOW WHERE JACK WAS. JOHN J. SCOTT HUNG UP ON WEINER AND TOLD HIM HE WOULD CALL WEINER FROM A PAY TELEPHONE IN A HALF HOUR. HE SUBSEQUENTLY CALLED WEINER AND STATED HE, JOHN J. SCOTT, HAD BEEN SUBPOENAED TO A FGJ BUT THAT HE GAVE THE FBI AGENT A HARD TIME. JOHN J. SCOTT GAVE WEINER A PAY STATION TELEPHONE NUMBER IN LAS VEGAS AND THE CODE NAME "PETE DOYLE". WEINER DESTROYED THIS PAY STATION TELEPHONE NUMBER AFIER THE FBI CAME TO REINTERVIEW HIM IN PHILADELPHIA AND HE DID NOT KNOW WHETHER THE CODE NAME PETE DOYLE WAS TO BE HIS NAME OR THE NAME OF THE PERSON HE WAS TO ASK FOR.

ON MARCH 1, 1975, MICKI SCOTT CALLED WEINER IN PHILADELPHIA AND TOLD WEINER THE FBI WAS "HASSLING" HIM BECAUSE WEINER HAD VISITED WILLY BRANDT IN SOLEDAD PRISON. SHE STATED THAT ALL THE PEOPLE WERE SEEING ATTORNEYS. THIS IS WEINER'S LAST CONTACT

PAGE FOURTEEN CV 7-1094
WITH EITHER JACK OR MICKI SCOTT TO THE PRESENT.

ON MARCH 1, 1975, PAUL HOCH CALLED SANDY PADWE AND TOLD HIM "WE HAVE TO GET OUT A STORY ABOUT THE FBI HARASSING JACK SCOTT ON THE WIRE SERVICES." HOCH THEN TELEPHONED WEINER IN PHILADELPHIA AND TOLD HIM THE SAME THING. WEINER TOLD HOCH THAT IT WAS A BAD IDEA.

ON MARCH 3, 1975, PHIL SHINNICK CALLED WEINER IN PHILADELPHIA AND GAVE HIM A TELEPHONE NUMBER AT A PAY STATION
WHERE HE COULD CALL SHINNICK. WEINER CALLED SHINNICK AT THIS
NUMBER AND SHINNICK STATED "YOU DON'T HAVE ANYTHING TO WORRY
ABOUT, ONLY THAT ONE TIME."

WEINER WAS NEVER IN THE APARTMENT OF JACK SCOTT IN NEW YORK CITY IN THE COMPANY OF ANY HEARNAP FUGITIVES.

PAUL HOCH WAS ONLY SEEN ON ONE OCCASION BY WEINER SINCE MAY 30, 1974, AND THAT WAS AT THE NEW YORK STARS FOOTBALL GAME ON JULY 16, 1974.

WEINER NEVER OBSERVED JOHN J. OR LOUISE SCOTT IN THE NEW YORK CITY AREA FROM MAY 30, 1974, TO THE PRESENT. WEINER TOLD THE FOLLOWING PEOPLE IN GENERAL TERMS THAT HE SAW PATTY

OBERLIN, OHIO; ED WEINER, BROTHER, 417 SOUTH PERTH STREET,

WEINER BELIEVES HE RECALLS THAT AT ONE TIME JACK SCOTT TOLD HIM HE DROVE WILLIAM HARRIS TO THE FARM EASTBOUND AND HE AND HARRIS POSED AS A "GAY" TWOSOME. WEINER STATED JACK'S BEST FRIEND IS MARTY MILLER, STOCKTON STATE COLLEGE, ATLANTIC CITY, N.J.

WEINER STATED HE DOES NOT KNOW WHERE THE FUGITIVES ARE PRESENTLY LOCATED AND THAT IF HE DID HE PROBABLY WOULD NOT TELL THE FBI. FD-302 TO FOLLOW.

IS FURNISHING THE FOLLOWING EXPANDED COMMENTS OF JAY WEINER
CONCERNING JACK SCOTT'S STATEMENTS THAT SCOTT WAS STOPPED BY
A STATE TROOPER WHILE DRIVING A VAN WITH THE HEARNAP FUGITIVES:

WEINER VISITED BILL WALTON'S RESIDENCE IN PORTLAND,

OREGON FROM DECEMBER 27, 1974, THROUGH JANUARY 2 OR 3, 1975.

WEINER, ACCOMPANIED BY A FEMALE ASSOCIATE KATE WATSON,

ARRIVED AT WALTON'S RESIDENCE IN THE EARLY MORNING OF DEC. 27,

1974, AND FOUND MICKI SCOTT, JACK'S WIFE, THERE. MICKI TOLD

WEINER THAT JACK WAS IN PHOENIX, ARIZONA WITH BILL WALTON

ON SOME PUBLIC RELATIONS OR PROMOTIONAL WORK. JACK RETURNED

TO WALTON'S RESIDENCE IN PORTLAND SOMETIME PRIOR TO WEINER AND

WATSON'S DEPARTURE ON JANUARY 2 OR 3, 1975.

AT THIS TIME, JACK SCOTT TOLD WEINER THAT "THEY" (FUGITIVES)
WERE IN A VAN WITH HIM (JACK SCOTT) TRAVELING WEST WHEN THE
VAN WAS STOPPED FOR SPEEDING BY A STATE TROOPER IN EITHER IOWA
OR INDIANA. JACK TOLD WEINER THAT HE TALKED THE TROOPER
OUT OF GIVING HIM A SPEEDING TICKET BY JOKING ABOUT A BIG
TEN FOOTBALL GAME THAT DAY BETWEEN IOWA AND INDIANA.

WEINER RECALLED DEFINITELY THAT THE FOOTBALL GAME WAS

PAGE THREE CV 7-1094
BETWEEN TEAMS THAT BEGAN WITH THE LETTER "I".

ON MARCH 13, 1975, THE PLAIN DEALER NEWSPAPER SPORTS DEPARTMENT, CLEVELAND, OHIO, DETERMINED THAT IOWA DID NOT PLAY INDIANA IN FOOTBALL IN 1974; INDIANA PLAYED ILLINOIS ON SEPTEMBER 14, 1974, AT CHAMPAIGN, ILLINOIS, AND IOWA PLAYED ILLINOIS ON OCT. 26, 1974, AT IOWA CITY, IOWA.

CLEVELAND BELIEVES WEINER POSSIBLY RECALLED INCORRECTLY OR CONFUSED ILLINOIS WITH IOWA AND HE MAY HAVE BEEN REFERRING TO THE INDIANA-ILLINOIS FOOTBALL GAME ON SEPTEMBER 14, 1974, OR THE IOWA-ILLINOIS GAME ON OCTOBER 26, 1974.

SAN FRANCISCO HAS ADVISED INDIANAPOLIS AND OMAHA TO CONDUCT INVESTIGATION TO DETERMINE IF ANY RECORD WAS MADE OF THIS STOP BY THE STATE TROOPERS. SAN FRANCISCO ADVISED THAT THE VAN IN QUESTION IS POSSIBLY A YELLOW FORD ECONOLINE BEARING THE WORD RYDER AND HAVING NEW YORK COMMERCIAL PLATE 1038-GC.

STATEMENT OF JAY WEINER AFTER BEING COMPELLED TO TESTIFY BEFORE A PEDERAL GRAND JURY IN HARRISBURG

Tuesday night, I was subpoensed to appear before a Federal Grand Jury sitting today in Harrisburg. I had three choices: (1) to refuse to cooperate and be held in contempt of court, (2) to perjur myself and face future prosecution. (3) to tell the truth. After much thought and struggle and advice from my friends, my family and my attorney, I chose to tell the truth. I told the truth becau the FBI and the US Attorney already knew it. Somebody else snitched. I told the truth because I am not prepared to go to jail for the so-called alleged crimes of others, and because my family, like all American working families, cannot afford the high price of American justice. It appears the FBI is merely trying to justify all the time it has spent on an unproductive search. My freedom, however restricted, in important to me, and can be helpful to others.

To the progressive people of the country, I only ask that you understand the position = innocently - in which I was placed. To TANIA, TEKO, YOLANDA, and all my sisters and brothers underground or in prison I hope you are safe and alort. To my comrade JACK and my dearest sister MICKI I am with you. Please try to understand the terrible pressure.

of my family, friends, and I have been under these past two weeks. I only hope that the love I feel for you — and the love you have always extended to me — is shared with you by others and that you are safe in or out of this monster's belly.

Attached advise Jay Weiner appeared at Ha Pennsylvania, 3/13/75, represented by attorney Thomas Menaker, Harrisburg, Pennsylvania (Menaker previous attorney for Berrigans trial in Harrisburg, Pennsylvania), to testify before Federal Grand Jury. Weiner granted immunity obtained from U. S. Department of Justice through Departmental Attorney Brandon Following grand jury appearance, Weiner handed out press statement showing clearly his allegiance to the SLA. U. S. Attorney, Northern District of Pennsylvania, is considering recalling Weiner and possibly interviewing Agents from Cleveland Office. Attached is a copy of Weiner's statement. 1 - Mr. Cleveland 150 REEMY 1 - Mr. Mintz 1 - Mr. Moore 1 - Mr. Wannall TFM:erg

Publishing Firm Sets Up Headquarters Moab Area: Plans Activities

Real People Press, a publishing firm operated by John O. Stevens is now setting up its business in Moab. The firm, which began eperations in 1967 has now published five books all dealing with the stated purpose of the company: "to publish ideas and ways that a person can use independently to become more real - to further his own growth as a human being and to develop his relationships and communication with others.

The company sprang up when Stevens' mother collected works by a number of noted psychologists concerning, as the title states, "The Problem of Being Human." Added to the psychologists' papers are Barry Stevens' own comments and ideas. When she approached a number of publishing houses about publishing the book she was turned down because the trade journal publishers said it was textbook material and the textbook publishers insisted that the material belonged in a trade book. Finally her son had a number of copies of the book printed and began selling them out of his garage.

Enters Business

At the time he entered, albeit unknowingly, into the publishing business, John Stevens was teaching psychology at the junior college level in California. The work of publishing and marketing books becalme more than just a i pastime in June of 1969 when he was forced to move his operation from his garage to a more suitable location.

By that time he had pub-#lished "Gestalt Therapy Verbatim," by Frederick S. Perls, the originator and de-"veloper of Gestalt Therapy," which he also edited from verbatim transcripts of complete therapy sessions conducted by Perls. Also on the market in 1969 was "In and Out of the Garbage Pail," a novel autobiography by Frederick Perls of memories and reflections on his life.

Yet Another Book

In 1969, Real People Press published "Don't Push the River," a first person account of Barry Stevens' use of Gestalt Therapy at the Gestalt Institute in Canada. "Notes to Myself" by Hugh 5 Prather was published in a 1970. This book is a number f of short paragraphs about a living: feelings and experiences, behavior and relationships. These serve as beginnings for the reader's exploration of his own experiences and as thoughtful and insightful reminders about them.

Latest Book

"Awareness: Exploring. Experimenting, Experiencing" by John Stevens himself is the latest book to be published by Real People

The book is designed to be used by an individual or in a classroom situation and of the book, Stevens says, "The experiments in this book are tools. Like any tools, they can be used skillfully or clumsily: they can be unused or mislused."

Real People Press publishes about 250,000 copies

The company does not publish poetry, but will deal only with books in that sector of psychology dealing with human awaraness and relations with others. The operation, which will include a warehouse to be set up sometime in February, will employ only a small number of people, according to Mr. Stevens and at this time no one is being hired for the operation.

eyed, white female, and her mother is a gray-headed white female. He was displayed photographs of PATRICIA HEARST and EMILY HARRIS, and noted that and her mother do not resemble these individuals in the slightest.

At this point, and dvised that and her mother had just approached the residence from the rear, apparently to retrieve some dogs which they had left there. These two individuals were thereafter observed at this residence.

It was noted that the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of the state of

JAY (No Middle Name) WEINER, 1102 Elbridge Street, Philadelphia, Pennsylvania, was located on West College Street adjacent to Wilder Hall, Oberlin College, Oberlin, Ohio, by Special Agents of the Federal Bureau of Investigation

Agents and Special Agent (SA) served WEINER with a subpoena to testify at the Federal Grand Jury (FGJ), Harrisburg, Pennsylvania, Middle District of Pennsylvania, at 11:00 a.m. on March 13, 1975. WEINER stated he would appear at the FGJ in Harrisburg, Pennsylvania, on March 13, 1975. He stated he was considering a discussion of his involvement in the PATRICIA HEARST matter with the FBI, but he desired to ask the interviewing Agents some questions before he decided to furnish any information.

The interviewing Agents suggested that the interview be continued in the office of the Oberlin College (OC) Securit / Director located in OC Service Building. WEINER agreed to this and voluntarily traveled to the above office in his personal vehicle.

The interview resumed with WEINER briefly asking the Agents their aim in desiring a full and candid interview with him. The interviewing Agents explained to WEINER that the FBI had a responsibility to locate Federal fugitives PATRICIA HEARST, WILLIAM HARRIS, and EMILY HARRIS, and to obtain evidence concerning persons who knowingly harbored these fugitives.

At this point, WEINER stated he was ready to furnish information concerning his total involvement in the PATRICIA HEARST matter.

WEINER was furnished an "Interrogation; Advice of Rights" Form, which he read, stated he understood his rights fully, and he desired to waive his rights during the interview. WEINER declined to sign the waiver of rights section on the form, which was duly noted thereon.

JAY (NMN) WEINER furnished the following information:

WEINER met JACK SCOTT and his wife, MICKI SCOTT, during 1972 when WEINER was a student at Oberlin College, Oberlin, Ohio, and JACK SCOTT was the Athletic Director at Oberlin College. WEINER became close friends with JACK and MICKI SCOTT due to their common political and sport interests, especially the Institute for the Study of Sport and Society (ISSS), which was operated by the SCOTTS at Oberlin College.

WEINER was employed as a Sports Intern (reporter) at "Newsday", Garden City, New York, from May 30, 1974, to September 6, 1974, and he resided at 460 Hudson Street, Long Beach, New York. WEINER returned to Philadelphia, Pennsylvania, during the Fall, 1974, to attend Temple University and reside with his parents at 1102 Elbridge Street, Philadelphia? Pennsylvania.

On May 30, 1974, WEINER visited MICKI SCOTT at JACK and MICKI SCOTT's apartment, 317 West 90th Street, New York City. WEINER does not recall JACK SCOTT being present. WEINER saw JACK and MICKI SCOTT on one or two unrecalled dates in June, 1974, in New York City.

On July 1, 1974, WEINER received a telephone call from MICKI SCOTT in which MICKI told WEINER to come to the SCOTT's apartment on the following day, July 2, 1974, to celebrate WEINER's birthday, which was on the second of July. MICKI indicated they would bake a cake and have a birthday celebration in the Pocono Mountains.

WEINER went to the SCOTT's apartment on the morning of July 2, 1974. WEINER and MICKI SCOTT left the apartment to buy cake ingredients but discovered that MICKI's automobile had been towed away by the New York Police Department to the Docks Impound Lot. He and MICKI went to the Docks Impound Lot and got the car back. The car was a red

CV 7-1094

Volkswagen Sedan with a New Jersey license tag.

WEINER, JACK and MICKI SCOTT departed for the Pocono Mountains in the red Volkswagen at about 1:30 p.m. on July 2, 1974.

At about 4:30 p.m., WEINER and the SCOTTs arrived at a two-story farmhouse near Scranton, Pennsylvania. Just prior to arriving at the farmhouse, WEINER observed a road sign that read "Lake Ariel, Pennsylvania". Upon arriving at the house, a white female was observed on the porch and she was introduced to WEINER as JUDY (LNU). JUDY (LNU) greete WEINER warmly and they all proceeded to enter the house. At this point, WEINER was introduced by JACK SCOTT to a white female named SUSAN (LNU), a white male named ALAN (LNU), and an oriental female named JOAN (LNU). WEINER flashed immediately on SUSAN (LNU) as being PATRICIA HEARST, but he did not immediately recognize or know the true identities of JUDY (LNU), ALAN (LNU), and JOAN (LNU).

There was a tenseness in the room at this time and the group engaged in idle "small talk". An unrecalled person in the group suggested that they take a walk behind the house. Everyone at the house, including Sigmund, the SCOTT's German Shepherd dog, went out behind the house for a walk. The group divided into two sub-groups, the makeup of which WEINER could not specifically recall. The groups walked behind the house to a body of water which WEINER believed to be either a lagoon, lake, or river. General conversation took place during the walk, which lasted approximately twenty minutes before the two groups neared the rear of the farmhouse. At this point, JACK SCOTT told WEINER he wanted to talk with him and WEINER, JACK SCOTT, and MICKI SCOTT went off alone behind the house while the other individuals entered the house.

During his walk with JACK and MICKI SCOTT, WEINER was asked by JACK SCOTT "do you know who those people are?" WEINER responded "are they who I think they are?" JACK SCOTT responded "yes", and JACK SCOTT stated that SUSAN was PATRICIA HEARST, ALAN was BILL HARRIS, and JUDY was EMILY HARRIS. WEINER could not recall whether JACK SCOTT at that time told him the true identity of JOAN (LNU), the oriental female.

WEINER believed he may have been told by JACK SCOTT at this time that JOAN (LNU) was WILLY BRANDT's girl friend, WENDY (LNU), but it may have occurred at another point during the evening at the farm. WEINER told JACK SCOTT that he knew SUSAN was PATRICIA HEARST when he met her, but he did not know ALAN (LNU) and JUDY (LNU's) true identities until JACK SCOTT told WEINER they were BILL and EMILY HARRIS. During this walk, JACK SCOTT told WEINER that he, SCOTT, had taken a walk similar to this walk with WEINER in the "Bay area" with unnamed friends. SCOTT told WEINER his walk took place either at or near a rented house in the "Bay area" when he first met PATRICIA HEARST, but WEINER could not recall if SCOTT specifically stated the HARRIS' were also met by SCOTT at this time.

٠,

JACK SCOTT told WEINER that he coserved "guns all over the place" at the rented house and, in fact, slept with a gun lying not far from where he was sleeping. SCOTT told WEINER that regarding the rented house, either the rent was coming due in two or three days or the compets did not know people were living in the house. WEINER could not more specifically recall SCOTT's statements regarding the rented house in the "Bay area", and WEINER does not recall JACK SCOTT telling him on what date this occurred.

Upon returning to the house, WEINER was greeted warmly by PATRICIA HEARST, BILL and EMILY HARRIS, and JOAN (LST) who, because of their reaction to him upon entering the house, were obviously aware that he had been told by JACK SCOTT of their true identities. One of the people asked him why he did not go "berserk" when he recognized PATRICIA HEARST after the initial introductions earlier that day. WEINER told them he did not know why he did not go "berserk" but that he was extremely excited and agitated when he recognized PATRICIA HEARST. BILL HARRIS told WEINER to call them by their Symbionese Liberation Army (SLA) names, that is YOLANDA for EMILY HARRIS, TEKO for BILL HARRIS, and TANIA for PATRICIA HEARST. WEINER called them by their SLA names for the rest of that night in conversation. WEINER does not recall being given an SLA name for JOAN (LNU), and he referred to her as JOAN (LNU) for the rest of the evening.

BILL HARRIS or JOAN (LNU) went to a local stor to buy cake ingredients and the dinner was prepared, and the whole group ate at about 7 p.m. An article appearing in "The Rolling Stone" regarding "Death Row Joe" and PATRICIA HEARST was discussed at dinner with much amusement and derision. After dinner an intense discussion took place among WEINER. PATRICIA HEARST, EMILY and WILLIAM HARRIS JACK SCOTT had gone upstairs to sleep and and MICKI SCOTT. JOAN (LNU) was not present. They were all seated at a table with the exception of MICKI SCOTT, who was lying on the EMILY HARRIS floor with Sigmund, the German Shepherd dog. was the leader of the discussion and told WEINER he was there because JACK SCOTT and MICKI SCOTT "needed someone to. back them up as support for them" in the New York City area. One of the group asked WEINER how he could help them, and WEINER responded that he did not know how he could since his time was taken up with a full time job and he had no money. WEINER told them he was not oriented toward violence, nor was he a "gun carrier". The others stated they understood his position but that they needed his support "above ground". At this point, PATRICIA HEARST told WEINER he could help them by using what he learned in school such as altering documents and things of this nature. WEINER was told by one of the others present that he could help PATRICIA HEARST and the HARRIS' by helping JACK and MICKI SCOTT.

WEINER recalls that during this conversation, PATRICIA HEARST told him the kidnapping was "for real". PATRICIA HEARST never referred to her father as dad or father but called him "RANDY". PATRICIA HEARST only referred to her mother with extreme contempt and hatred. During the conversation someone mentioned that PATRICIA HEARST's mother was in the hospital according to the news media. PATRICIA HEARST then stated it probably was because she was drunk and fell down and broke her arm. PATRICIA HEARST scoffed that the State of California could have given a great deal of money in the Food Distribution Program right after her kidnapping.

During the evening, WEINER told PATRICIA HEARST he had seen the famous photograph which had appeared in the news media showing PATRICIA HEARST in army fatigues standing with a shotgun in front of the SLA seven-headed cobra symbol. PATRICIA HEARST told him that was her in the picture, and PATRICIA HEARST corrected WEINER by stating that it was an automatic weapon she was holding and not a shotgun.

WEINER recalled PATRICIA HEARST as appearing very calm, mellow, and she absolutely did not appear to be held against her will.

During the discussion, EMILY HARRIS told WEINER that the rumors of a romantic connection between DONALD DE FREEZE and PATRICIA HEARST were untrue.

BILL HARRIS told WEINER that he was not shoplifting at the sports store in Los Angeles, but when the security guard at the store attempted to frisk him, HARRIS feared his handgun would be found and a shoving match resulted with the guard. BILL HARRIS told WEINER this resulted in PATRICIA HEARST shooting the front of the sports store from the van when he and EMILY HARRIS escaped. PATRICIA HEARST told WEINE that she "shot up" the front of the store during BILL HARRIS' escape from the guard.

When the SCOTTs and WEINER were about to depart the farmhouse that night, EMILY HARRIS hugged WEINER and "almost apologized" to him for placing WEINER in an unfair position now that he knew their true identities and their whereabouts.

WEINER, JACK and MICKI SCOTT departed the house for New York City at approximately 10:30 p.m. to 11 p.m. on July 2, 1974. JACK SCOTT left the red Volkswagen with New Jersey license plates at the famand they traveled to New Yor' in a late model light blue Pinto or Vega with California licelise plates.

During the ride back to New York City, WEINER believed JACK and MICKI SCOTT "staged" an argument between themselves regarding the so called Weathermen fugitives stealing guns. WEINER believed the argument was "staged" to impress upon him the seriousness of his knowledge concerning the whereabouts of PATRICIA HEARST, BILL and EMILY HARRIS.

WEINER and the SCOTTs arrived in New York City at about 3 a.m. on July 3, 1974, and WEINER took the 3:30 a.m. train to his residence in Long Beach, New York.

WEINER did not observe guns, drugs, nor narcotics, at the farmhouse. PATRICIA HEARST was observed to smoke cigarettes heavily during the evening, and BILL HARRIS was the only one he observed drinking beer that night. WEINER had the impression that HEARST and the HARRIS had recently arrived at the farmhouse.

WEINER did not physically observe or talk to HEARST or the HARRIS' after July 2, 1974.

WEINER furnished the following descriptive comments:

PATRICIA HEARST, white female, 5'3" tall, thin, 90 - 100 pounds, hair just over ears, dyed blonde, no freckles, appeared to be about 14 years of age, wore a red tank top, jeans, and ankle high boots. WEINER was then shown an attist's conception of PATRICIA HEARST with short light hair. WEINER was not advised that the artist conception depicted PATRICIA HEARST. WEINER immediately stated "that's her", but she has much slimmer cheekbones and a much narrower chin than in the artist conception.

EMILY HARRIS appeared slightly taller than 5'3", hefty build, at least 115 pounds or slightly heavier, hair to the middle of the neck, dyed bright red, wearing a tank top and jeans.

WEINER was shown the four photos of EMILY HARRIS appearing on the FBI Wanted Flier 475a, and WEINER indicated that the photograph, which was the second from the left, most closely resembled the appearance of EMILY HARRIS on July 2, 1974.

WILLIAM HARRIS, about 5'7" tall, slightly more than 145 pounds, close cropped hair, dyed bright red, very similar to EMILY HARRIS' hair, possibly a small mistache. WEINER was shown the four photographs of WILLIAM HARRIS, which appear on the FBI Wanted Flier 475a, and WEINER indicated that the photograph of WILLIAM HARRIS, which was the second from the left, most closely resembled what WILLIAM HARRIS looked like on July 2, 1974.

WEINER was shown a photo of WENDY MASAKO YOSHIMBA, and WEINER stated the woman in the photograph was identical to the person he had referred to as JOAN (LNU) at the farm on July 2, 1974. WEINER indicated her hair was shorter than in the photograph, she was attractive, and had an odd complexion almost plastic looking.

On July 4, 1974, WEINER telephoned MICKI SCOTT at her apartment in New York City and they discussed some Philadelphia Phillies baseball players who were "into" "transcendental meditation". WEINER called MICKI from Shea Stadium in the New York City area.

On July 16, 1974, JACK and MICKI SCOTT, PAUL HOCH, I LINDA HUEY, and WEINER attended a New York Stars World Football League home game in New York City together. WEINER recalled that a friend of JACK SCOTT, GEORGE SAUER, was playing for the New York Stars and this was the reason for the group attending the game. WEINER recalled that this was the first home game of the New York Stars football season in 1974.

On July 24, 1974 or thereabouts, WEINER went to the SCOTTs' apartment in New York City and talked to MICKI, but he does not recall JACK SCOTT being present. The conversation was general in nature, and he believes he may have asked MICKI how "their friends at the farm" were getting along. WEINER believes MICKI responded that they were all right or words to that effect. This occurred the same day that WEINER did a story in "Newsday" regarding EDDIE EIHORN (phonetic), the President of the TVS sports television network.

On either August 17, 18, or 19, WEINER, JACK SCOTT, and MICKI SCOTT drove to the farm at Lake Ariel, Pennsylvania. WEINER drove his tan Volkswagen Sedan and the SCOTTa drove their older beige Volkswagen. Upon arriving at the farm, WEINER observed no one present, and he noted that numerous appliances, the dish rack on the kitchen sink, and a radio were no longer in the house. The house was clean and it appeared that the previous occupants had moved out. JACK and MICKI SCOTT in WEINER's presence, proceeded to wipe down all parts of the house where fingerprints could be found. This was done in a light-hearted, joking way, and either JACK or MICKI SCOTT stated "where would the cops look for fingerprints" and "we'd make good cops".

WEINER recalls that he used the washroom at the house and that the three of them were at the house for approximately twenty minutes. The three of them left SCOTT's Volkswagen at the farm and they drove into Scranton, Pennsylvania, in WEINER's Volkswagen.

In Scranton, Pennsylvania, the three of them drove around for a while and eventually stopped at a place where they bought some "Texas hot" hotdogs. A short time later while driving in Scranton, Pennsylvania, they happened upon a football game at a stadium which WEINER believes was the Scranton Stadium. They all believed that this was a high school football game at first, but JACK SCOTT commented that there were too many blacks playing and therefore probably was not a high school game since there are not that many blacks residing in Scranton, Pennsylvania. They decided to watch the game and upon entering the stadium determined that it was a minor league football game between Lackawanna and the Chambersburg Cardinals. WEINER recalled that it was a "family night" game and he, WEINER, was wearing a t-shirt with words on the front side to the effect that the words favored the National Football League (NFL) Players Association. in their dispute with the National Football League owners. WEINER believed the t-shirt had words someting like "Liberty" or "Freedom" for the NFL players.

At some point during the evening, WEINER believes he asked JACK SCOTT where the "people" had gone, referring to PATRICIA HEARST, the HARRIS', and JOAN (LNU). SCOTT responded that the "people" had moved. Also, during the evening, the three of them discussed the possibility of buying or renting the farm that they had visited on July 2, 1974. WEINER believes either JACK or MICKI SCOTT commented that they might see a real estate man about purchasing or renting the house in the future. It was indicated during the conversation that the farm could be used for writers such as the SCOTTs, WEINER, and others.

The three of them drove back to New York City after the football game and arrived in the early morning of the following day. The three of them returned to New York City in WEINER's Volkswagen, and the SCOTTs' beige Volkswagen was left at the farm without JACK or MICKI SCOTT ever indicating

cv 7-1094

te WEINER why they left the Volkswagen there.

On either August 29 or 30, 1974, MICKI SCOTT had dinner with WEINER and SANDY PADWE, Assistant Sports Editor of "Newsday" at WEINER's Long Beach, New York residence. During the evening, MICKI told WEINER that she and JACK SCOTT were going to Portland, Oregon, to live with BILL WALTON and that JACK SCOTT was already in Portland.

On the Jewish feast of Rosh Hashana, which was either September 8 or 9, 1974, WEINER saw JACK SCOTT and MICKI SCOTT at their New York apartment for a brief period of time, and WEINER could not recall any specific discussions held at that time. During the first week of October, 1974, WEINER attempted to call JACK SCOTT since he had not seen or hear from him, JACK, or MICKI SCOTT since September 8 or 9, 1974. WEINER called JACK's father, JOHN J. SCOTT, in Las Vegas, Nevada, TOM MESCHERY, former Assistant Professional Basketball Coach, now living in either Seattle or Portland, and others in an attempt to locate and talk to JACK SCOTT. JACK SCOTT eventually telephoned WEINER in Philadelphia from a pay telephone station in Portland during the first week of October, 1974, and JACK SCOTT told WEINER that "our friends are off our hands," but JACK SCOTT gave no indication as to their whereabouts. WEINER recalled that SCOTT called him from a pay telephone station because there was no telephone in BILL WALTON's residence at this time.

During the Christmas holidays, 1974, and January, 1975, WEINER and a female associate, KATE WATSON, traveled west in WEINER's car and stayed with JOHN J. and LOUISE SCOTT, JACK's parents, at the apartment complex the older SCOTTs' operated in Las Vegas. WEINER recalled that he and WATSON stayed at the older SCOTTs' apartment in Las Vegas on Christmas Eve. 1974.

WEINER and WATSON departed the older SCOTTs' apartment in Las Vegas and drove to the residence of BILL WALTON in Portland, Oregon, where JACK and MICKI SCOTT were residing.

WEINER and WATSON arrived at WALTON's residence during the early morning hours of December 27, 1974, and they stayed there until January 2 or 3, 1975. MICKI SCOTT was

there, but MICKI told WEINER that JACK SCOTT was in Phoenix, Arizona, with BILL WALTON on some type of public relations or promotional work. JACK SCOTT and BILL WALTON returned to WALTON's residence in Portland sometime prior to WEINER's departure on January 2 or 3, 1975. At this time, JACK SCOTT told WEINER that "they" had been in a van with JACK SCOTT traveling west when the van was stopped for speeding by a State Trooper in either Iowa or Indiana. JACK SCOTT told WEINER that he talked the State Trooper out of giving him a speeding ticket by joking about a Big Ten Football Game that day between Iowa and Indiana. WEINER recalled that Iowa and Indiana were the two football teams JACK SCOTT referred to at this time, and he definitely recalled that the names of the two teams began with the letter "I".

Also at this time, JACK SCOTT told WEINER to give WILLY BRANDT about five or six coded messages from JACK SCOTT. WEINER had told SCOTT that he planned to visit WILLY BRANDT in the Soledad, California Prison on January 4 and 5, 1975. WEINER could only recall two of the five or six messages that JACK SCOTT asked him to transmit to WILLY BRANDT. One message was "the team has moved west" and the other message he recalled was "Emma is not with them anymore". WEINER stated EMMA referred to WENDY, WILLY's girl friend.

The persons at the WALTON residence from December 27, 1974, to January 2 or 3, 1975, were: BILL WALTON, JACK SCOTT, MICKI SCOTT, JAY WEINER, SUSAN GUTH, KATE WATSON, and DON (LNQ) white male.

On January 2 or 3, 1975, WEINER and WATSON departed Portland in WEINER's car and traveled to San Francisco, California, where WEINER dropped WATSON off at the home of some of her friends. WEINER alone drove to Soledad Prison in California and visited WILLY BRANDT on both January 4 and January 5, 1975. WEINER gave BRANDT the five or six messages which JACK SCOTT asked him to relate to BRANDT. WEINER recalled that WILLY BRANDT was "glad" that EMMA was no longer with them.

No messages were given by BRANDT to WEINER for delivery to JACK SCOTT or anyone else.

WEINER drove back to San Francisco after he visited BRANDT on January 5, 1975, and picked up KATE WATSON.

WEINER and WATSON drove to Las Vegas, Nevada, and stayed with JACK SCOTT's parents for a day or so in the SCOTT's apartment complex. WEINER and WATSON then drove to Albuquerqui, New Mexico, where they reviewed the apartments for rent in a local newspaper, and WEINER accompanied WATSON in locating an apartment which she rented and where she is currently residing.

WEINER then drove alone from Albuquerque, New Dexico to Boulder, Colorado, arriving at 5 a.m. on January 10, 1975, and he stayed with his brother, ED WEINER. At noon on January 1975, he received a telephone call from MICKI SCOTT, who was in Portland, Oregon, and MICKI told WEINER that BILL WALTON wanted to break his silence with the news media and be interviewed by WEINER. WEINER called "Newsday", Garden City, New York, and received an "okay" for expenses he would incur while traveling to Portland to interview WALTON. WEINER departed Denver, Colorado, for Portland, Oregon, on January 11, 1975, via a 10 a.m. United Airlines Flight. WEINER was met at the airport in Portland by JACK and MICKI SCOTT, and BILL WALTON was interviewed that evening. The interview with WALTON went poorly that night since WALTON was holding back. On the Following morning, January 12, 1975, WEINER told WALTON and the SCOTTs that there was no reason to interview WALTON if he would not be candid. Two friends of BILL WALTON, RANDY (LIN) and ABRAHAM (LNU), came over to the house on January 12, 1975, and argued with WALTON that he should not give an open and candid interview to the news media. WALTON got mad at these individuals and told WEINER he was ready to give an open and candid interview at that time. The interview took place on that day with WALTON, and on the following day, January 13, 1975, WEINER departed Portland on a noon flight to Denver, Colorado, arriving at about 4 p.m.

WEINER Picked up his brother in Boulder, Colorado, and they drove to their parents home in Philadelphia, Pennsylvania where WEINER now resides.

After arriving in Philadelphia on January 19, 1975; MEINER read an article in the "Daily World" newspaper of January 16, 1975, regarding an attempt by the FBI to interview BILL WALTON at his Portland residence.

WEINER then called MICKI SCOTT in Portland and asked what was up?" MICKI SCOTT explained to WEINER that it as nothing and the problem was about an interview WALTON and given. MICKI was very curt, and WEINER did not pursue this matter.

On February 24, 1975, JACK SCOTT called WEINER in Philadelphia and told him the FBI had a "bad theory" that WILLY BRANDT and JACK SCOTT had started the SLA and were behind it. On February 25, 1975, SCOTT called WEINER in Philadelphia and stated that the FBI was probably talking to SCOTT's friends and that WEINER should advise SCOTT if the FBI comes to see him.

On January 27, 1975, WEINER recalled that the FBI . had attempted to interview him in Philadelphia, and WEINER then called JOHN J. SCOTT in Las Vegas, Nevada, in an attempt to locate JACK SCOTT. JOHN J. SCOTT told WEINER he did not know where JACK was. JOHN J. SCOTT told WEINER he would call him from a pay telephone in a half hour, and JOHN J. SCOTT hung up on WEINER. JOHN J. SCOTT subsequently called WEINER in about a half hour and stated that he, JOHN J. SCOTT, had been subpoenaed to a Federal Grand Jury but that he gave the FBI a hard time. JOHN J. SCOTT gave WEINER the pay telephone station telephone number in Las Vegas and the code name PETER DOYLE. WEINER destroyed this pay telephone station telephone number after the FBI came to reinterview him in Philadelphia, and he did not know whether the code name PETE DOYLE was to be his name or the name of the person he was to ask for.

On March 1, 1975, MICKI SCOTT called Walnes in Philadelphia and told WEINER that the FBI was hassling him because WEINER had visited WILLY BRANDT in Soledad Prison. MICKI SCOTT stated that all the "people"were seeing attorneys. This was WEINER's last contact with JACK and MICKI SCOTT to the time of this interview.

On March 1, 1975, PAUL HOCH called SANDY PADWIold him "we have to get out a story about the FBI sing JACK SCOTT on the wire services". HOCH then honed WEINER in Philadelphia and told him the same . WEINER told HOCH that it was a bad idea.

PAUL HOCH was only seen on one occasion by A R since May 30, 1974, and that was at the New York football game on July 16, 1974.

On March 3, 1975, PHIL SHINNICK called WEINER in Philadelphia and gave him a telephone number at a pay station telephone where WEINER could call SHINNICK. WEINER called SHINNICK at this number, and SHINNICK stated "you don't have anything to worry about, only that one time"

WEINER was never at the apartment of JACK SCUT! in New York City in the company of PATRICIA HEARS'T or the HARRIS'.

WEINER never observed JOHN J. or LOUISE SCOTT in the New York City area from May 30, 1974, to the time of this interview.

WEINER told the following people in general terms that he saw PATRICIA HEARST:

KATE WATSON, Albuquerque, New Mexico; BRAWNER SMOOT, Oberlin, Ohio; ED WEINER, 417 South Perth Street, Philadelphia, Pennsylvania; ANN ROBERTS, Boulder, Colorado; JAKE EMERY, Boulder, Colorado.

WEINER believes he recalls that at one time JACK SCOTT told him that he, SCOTT, drove WILLIAM MARRIS to the Lake Ariel, Pennsylvania farmhouse eastbound and that he and MARRIS posed as a "gay" twosome. WEINER stated JACK SCOTT's close friend is MARTY MILLER, Stockton State College, Atlantic City, New Jersey.

WEINER recalled that on one occasion JACK SCOT told him that SCOTT had worked out a communication system with "the people in Pennsylvania" but that "they" could not handle the simple system and SCOTT was disgusted with the SCOTT explained the system in part was to call someone and to get very angry on the telephone in a short period of time. This was a signal to go to a certain pay telephone station and wait for a pre-designated telephone contact.

JAY (NMN) WEINER declined to furnish the interviewing Agents with a signed statement regarding the above information

WEINER stated he did not know where PATRICIA HEARST or the HARRIS' were at the present time and if he did, he probably would not tell the FBI. WEINER was shown photographs of JACK SCOTT, MICKI SCOTT, and JOHN J. SCOTT, at which time he identified them as being identical to the persons he referred to during this interview.

The following description of WEINER was obtained through observation and interview:

FINGERPRINTS COULD BE LEFT, STATING "WHERE WOULD THE COPS LOOK FOR FINGE PRINTS". WEINER STATED THAT IN THE FIRST WEEK OF OCTUBER, BIACK SCOTT WAS IN TELEPHONIC CONTACT WITH HIM AND TOLD HIM "OUR FRIENDS ARE OFF OUR HANDS". WEINER VISITED SCOTTS IN OREGON FROM DECEMBER 27, 1974 TO JANUARY 2 OR 3, 1975, AND DURING THIS TIME JACK TOLD WEINER THAT "THEY" WERE IN A VAN WITH HIM BEING THANSPORTED WEST WHEN THEY WERE STOPPED BY A STATE TROOPER WHOM JACK TALKED OUT OF GIVING A TICKET. WEINER ADVISED THAT ON JANUARY 4 OR 5, 1975, HE VISITED WILLIAM BRANLT (WENDY YOSHIMURA'S BOYFRIEND AND A CONVICTED BOMBER) IN SOLEDAD PRISON WHERE HE GAVE BRANDT ABOUT FIVE CODED WESSAGES FROM JACK SCOTT, TWO OF WHICH HE CAN RECALL AND WHICH ARE, "THE TEAM HAS MOVED WEST", AND "EMMA IS NOT WITH THEM ANY MORE". WEINER STATED EMMA REFERRED TO WENDY YOSHIMURA. ACCURDING TO WEINER, THE LAST CONTACT HE HAD WITH JACK OR MICKI SCOTT WAS ON MARCH 1, 1975 WHEN MICKI CALLED WEINER IN PHILADELPHIA AND TOLD WEINER THAT THE FBI WAS "Hasseling" him because weiner had visited william Brandt in SOLEDAD. ON MARCH 3, 1975, PHILLIP SHINNICK CALLED WEINER

AND GAVE MIN A TELEPHONE NUMBER AT A PAY STATION WHERE HE COULD CALL SKINNICK. WEINER STATED HE WOULD CALL HIM AND SHINNICK STATED, "YOU DON'T HAVE ANYTHING TO WORKY ABOUT, ONLY THAT ONE TIME."

ON MARCH 13, 1975, IN RESPONSE TO THE SUBPOENA,
WEINER APPEARED AT HARRISBURG, PENNSYLVANIA, REPRESENTED BY
ATTORNEY THOMAS MENAKER, HARRISBURG, PA., WHO PREVIOUSLY HAD
BEEN AN ATTORNEY FOR THE BERRIGAN TRIAL IN HARRISBURG. WEINER
REFUSED TO TESTIFY WITHOUT IMMUNITY AND IMMUNITY WAS OBTAINED
FROM DEPARTMENTAL ATTORNEY BRANDON ALVEY. WEINER THEN TESTIFIED
AND IDENTIFIED FUGITIVES AS BEING AT THE FARM DURING THE TIME
PERIOD PREVIOUSLY GIVEN TO CLEVELAND AGENTS AND HE PLACED JACK
AND MICKI SCOTT AT THE FARM AT THE SAME TIME. HOWEVER, HE
HEDGED ON CERTAIN DETAILS OF THESE IDENTIFICATIONS SO AS TO
TAKE SOME OF THE STRENGTH FROM THE IDENTIFICATIONS. HE NOW
DENIES BEING TOLD THE THUE IDENTITIES OF THE FUGITIVES BY JACK
SCOTT AT THE FARMHOUSE.

FOLLOWING THE GRAND JURY APPEARANCE WEINER HANDED OUT XEROX COPIES OF A STATEMENT TO THE PRESS WHICH IN PART

WILLIAM WALTON - SUSAN GUTH.

ON MARCH 12, 1975, ATTORNEY CHARLES GARRY, SAN FRANCISCO, MADE AVAILABLE WILLIAM WALTON AND HIS GIRL FRIEND, SUSAN GUTH, AND THEY WERE INTERVIEWED IN GARRY'S PRESENCE. BOTH DENIED HAVING ANY KNOWLEDGE THAT JACK OR MICKI SCOTT HARBORED THE FUGITIVES AND BOTH DENIED HAVING ANY INFORMATION. IN INTERVIEW WITH GUTH AND WALTON, IT APPEARS THAT WALTON HAD NEVER PERSONALLY MET JACK SCOTT UNTIL SCOTT CAME TO HIS RESIDENCE IN OREGON ON EITHER THE LAST DAY OF AUGUST OR SEPTEMBER 1, 1974. WALTON WENT TO A TRAINING CAMP ON SEPTEMBER 16, 1975, FOR TWO WEEKS AND SOMETIME DURING SEPTEMBER GUTH LEFT THE RESIDENCE FOR AT LEAST A WEEK. THEY CLAIM THAT WHILE THEY WERE THERE DURING SEPTEMBER, THEY BELIEVED JACK SCOTT WAS THERE ALL DURING SEPTEMBER BUT THEY DO NOT KNOW HIS WHEREADOUTS DURING THEIR ABSENCE FROM THE RESIDENCE.
